## ***NO ENDLESS SUMMER FOR US!***

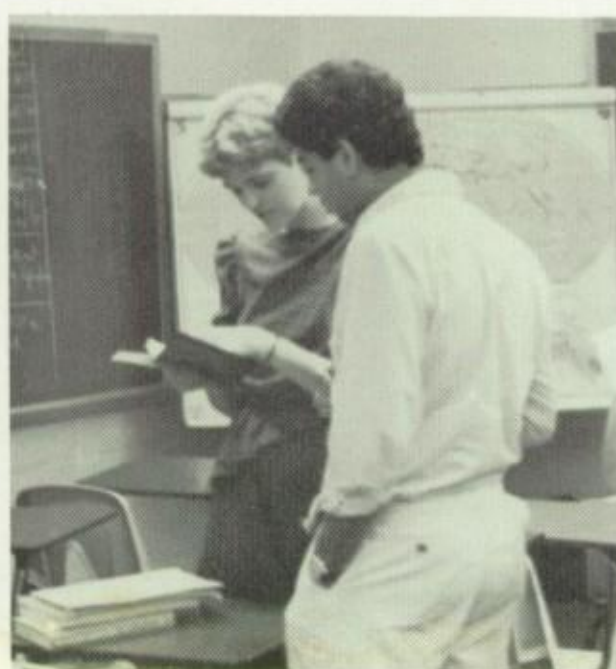

*As our memories wanted to linger with the fun-filled summer days and nights, we found it difficult to begin another new year. It was hard to let go of the days we spent walking along the shore as the sun tanned our bodies and the salt air refreshed our senses. We had to bid a fond farewell to our friends, both old and new, that we always seem to run into during all those exciting summer months. Several of our students had to return from foreign shores where they spent the summer months working and loving in an entirely different culture. Their experiences would long be cherished and become an integral part in their new way of thinking and living. It was time to begin to think about the return to school and the stark realization came only too fast!*

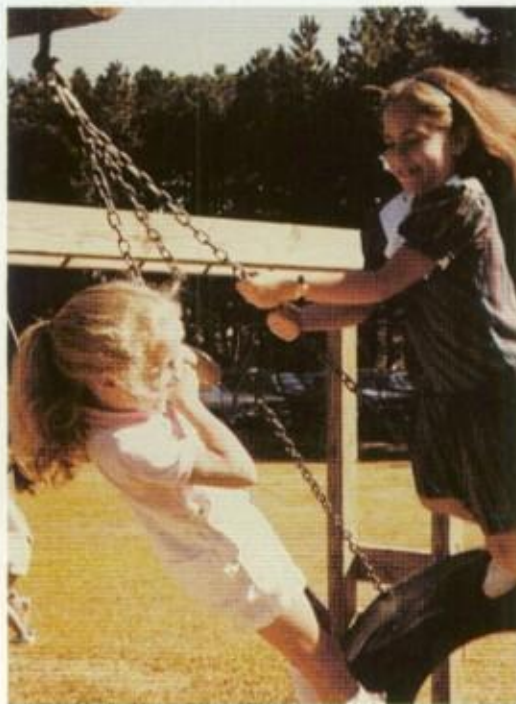

*Would we be ready to face and accept the new challenges that lay ahead? Only time would tell. We busied ourselves in those last few weeks by completing our summer reading list, toning up our muscles and endurance in those long, grueling soccer practices, getting in touch with our old pals to make sure all was ready for the new year. IT WAS BOUND TO HAPPEN! We returned to our campus a few days early to buy our books, check schedules and to face the fact that summer was really over!*

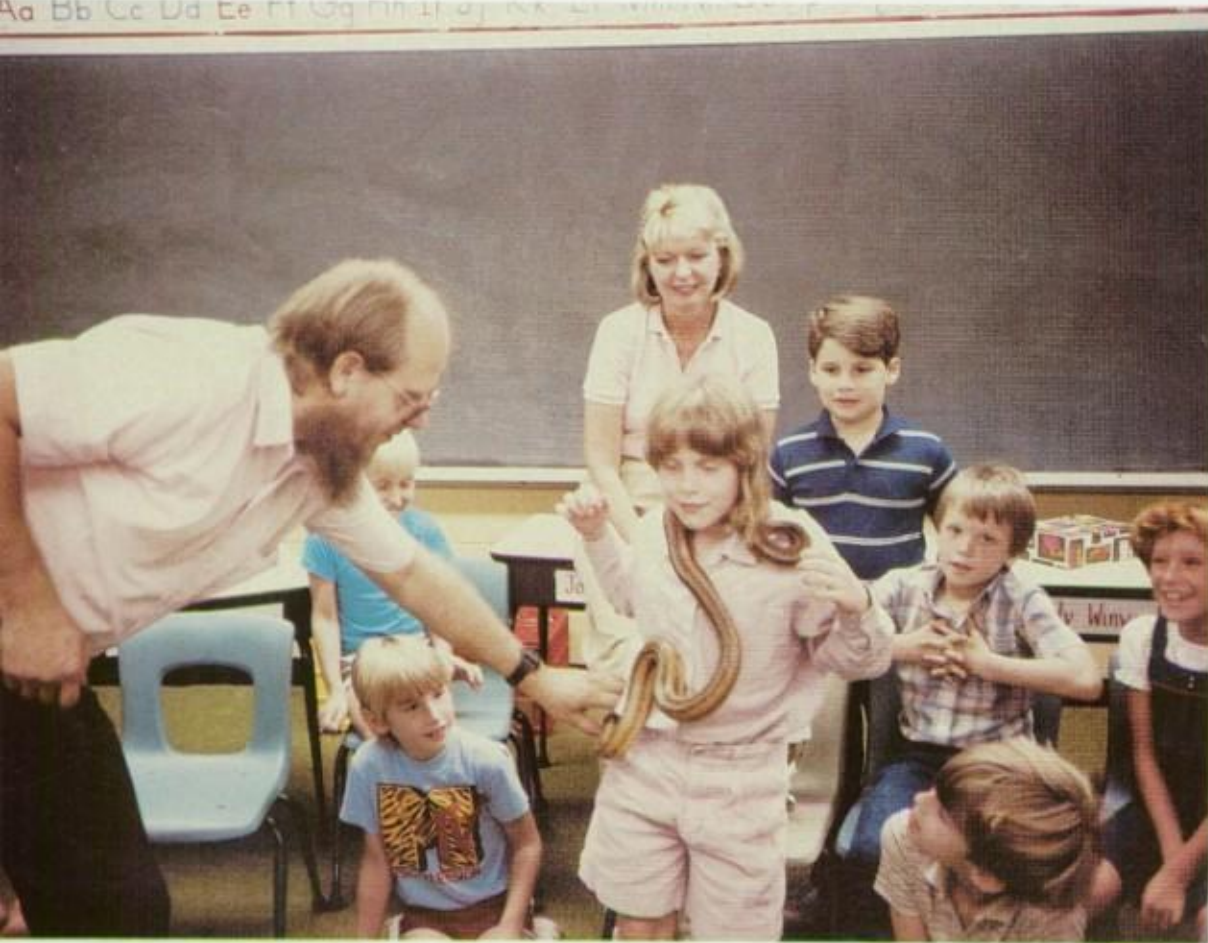

## A NEW YEAR BRINGS MANY CHANGES

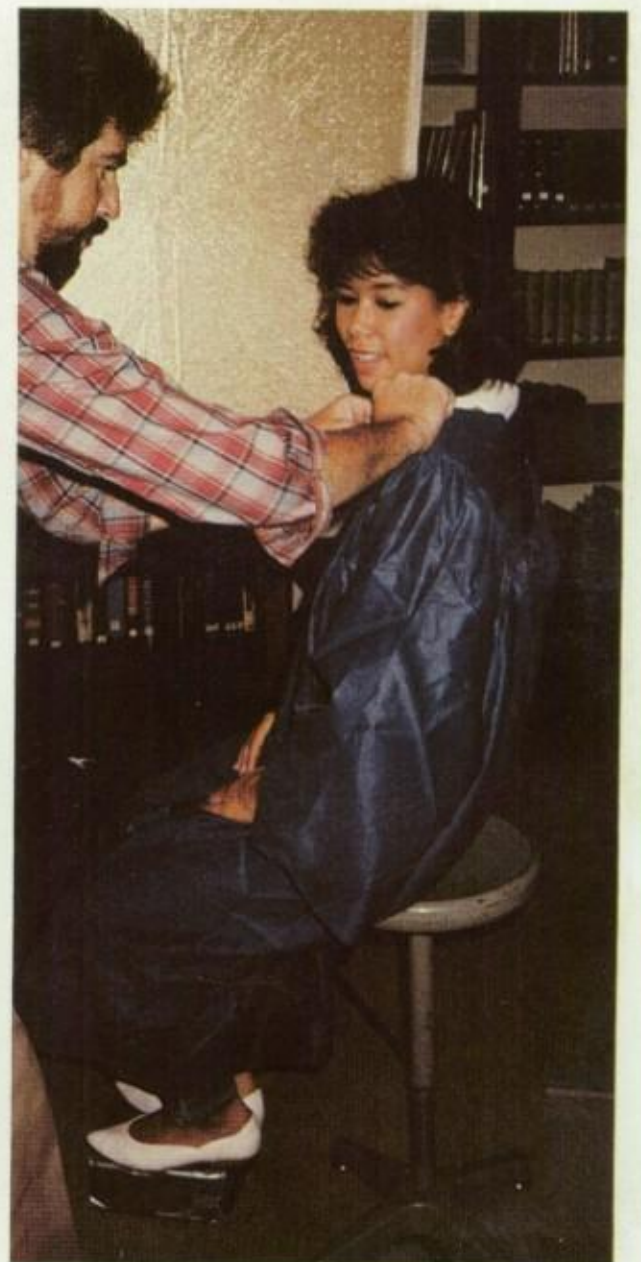

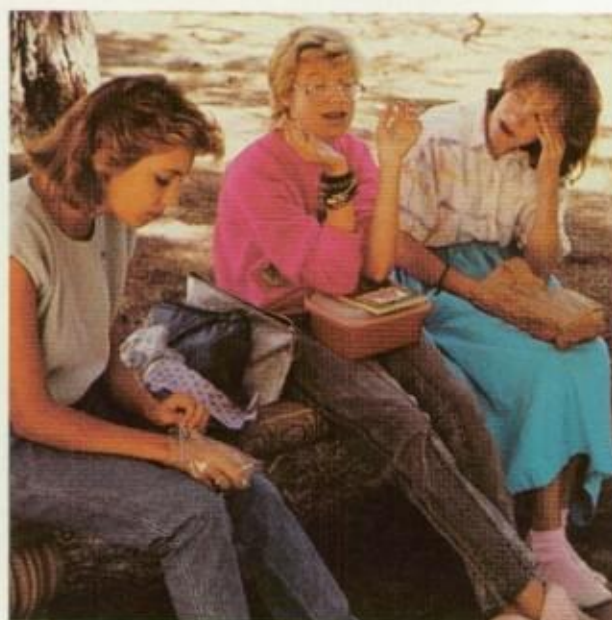

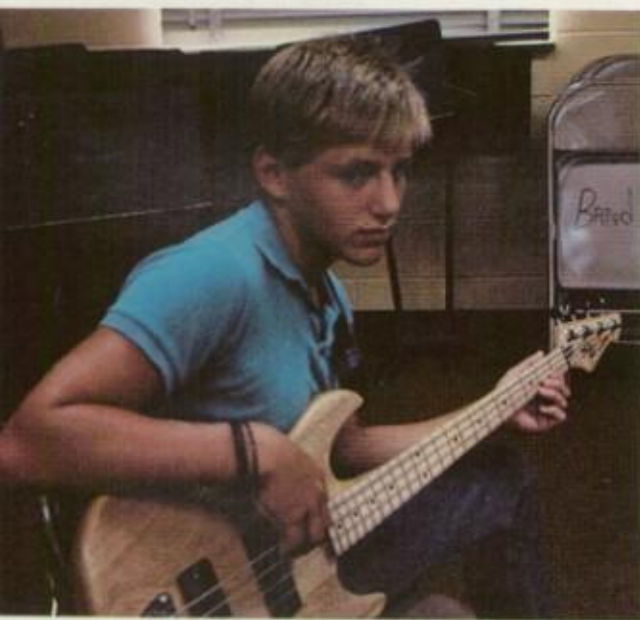

As the doors swung open and the hordes of bodies filled the halls with their excited voices and their new fashionable "Back to School" attire, we found ourselves in full swing, and those summer memories were left behind. From the first assembly, when Mr. Pratt welcomed us all back and introduced us to our newest classmates and new faculty, we were well aware that many changes were to take place. There would be changes in the demerit system, the lunch schedules, the daily class schedules and campus life in general. Were these changes necessary? Would they improve our school? Many felt the changes were unnecessary. They were satisfied with the status quo! Why change what many felt was already perfect?

*We have discovered that perhaps the changes were necessary. Afterall, the old saying "Variety is the Spice of Life" is true! If we don't attempt changes, we wouldn't learn anything! At any rate, the Seniors were granted more privileges and students were given more responsibilities! The year was headed for a bright future! Only the students with their enthusiasm could determine the final outcome!*

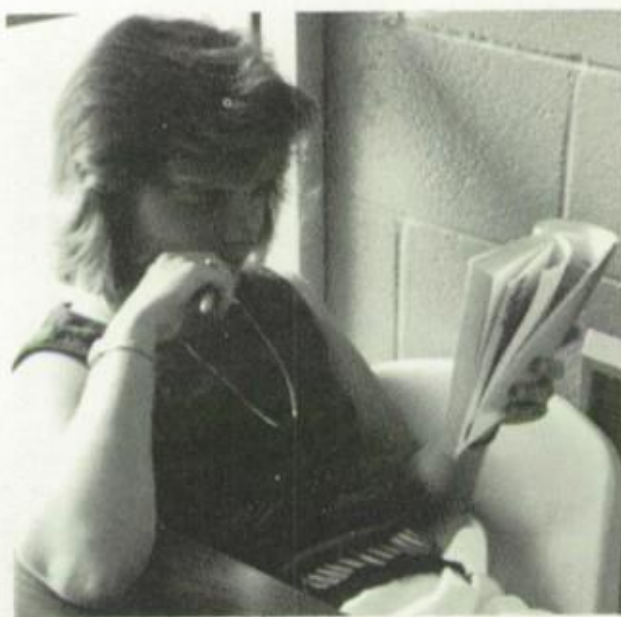

## REACHING OUR GOALS

### NOT AN IMPOSSIBLE DREAM!

*As the seasons faded from one to the other, each day brought our Academy family a little closer in our common goal — to make this the best year ever! As we found ourselves caught up in the seemingly impossible task of balancing our academic, athletic, extra-curricular and our social schedules, we wondered if the Merry-Go-Round would ever stop! We would have to get off every now and then to take an inventory to see where we were and what was happening! Fortunately, there are no barriers to separate our Lower, Middle and Upper Schools; therefore, we are constantly made aware of the growing excitement in the Lower School as the younger students develop their basic skills, we see the uncertainty in the Middle Schoolers as they cope with those fun "Pre-Teen Times", and fi-*

*nally we see the maturity that becomes synonymous with our Upperclassmen and Seniors as they rule over the Upper School hall and the Junior and Senior parking lots. We watch, with fond memories, the antics of the young Freshmen and Sophomores as they attempt to emulate their more sophisticated Upperclassmen friends. We knew in our minds, it was bound to happen! The year was going to end too quickly!*

## IT'S THE BOTTOM OF THE NINTH . . .

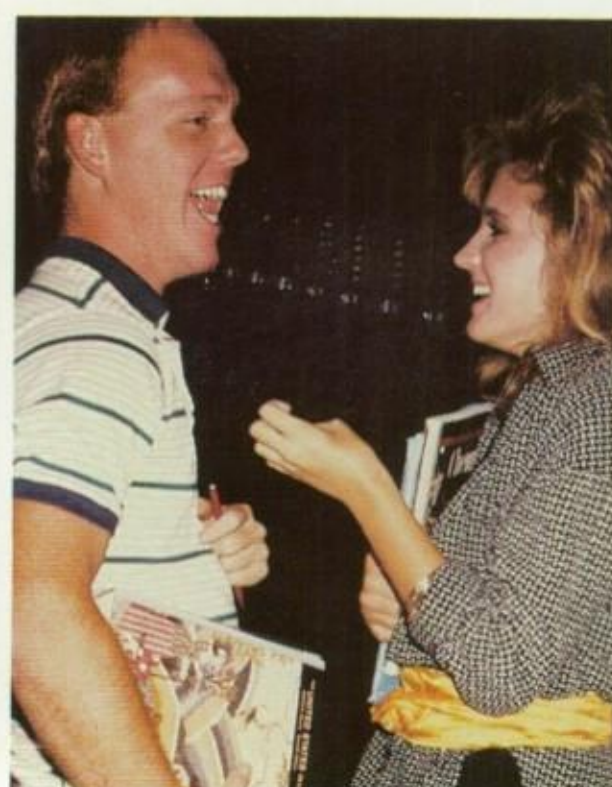

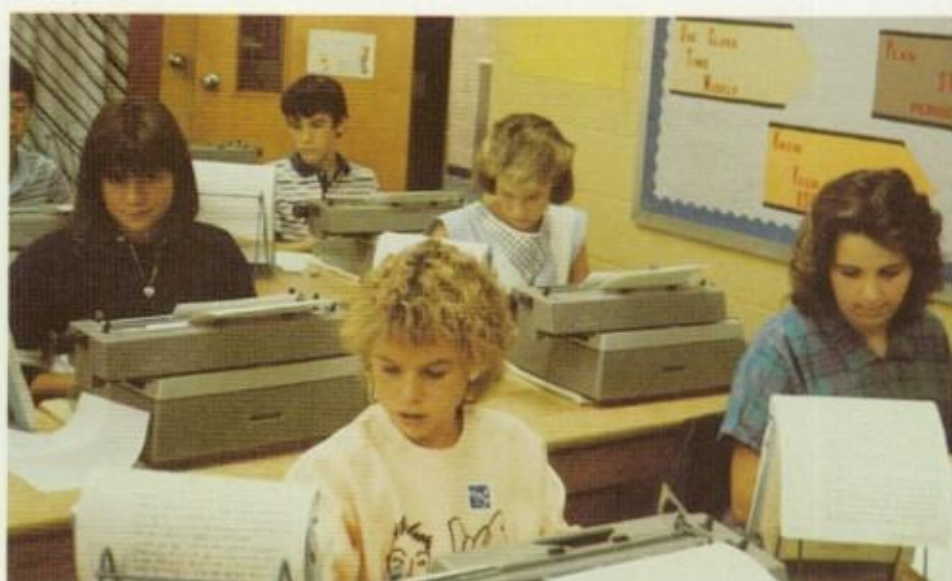

As the final months came into view, many of us began to anticipate a well-deserved summer break! We had accumulated some happy memories within these nine months — the Soccer Championship season, the class trips, special projects, socials and countless more! For the Seniors, the Class of '86 definitely made their impact on the history of the Academy. The majority of them gained early acceptances into the colleges of their choice, they shared magic moments in the Big Apple and they looked toward their graduation with the usual mixed emotions. They began to face the fact that they would soon leave the security of our small campus to fulfill their destinies among the ivy-covered walls of the university world!

*They, like so many of our alumni before them, would later return to touch base with old friends and bask in the adulation that our returning graduates deserve. They are only too happy to share their wealth of knowledge and experiences they have acquired in their brave new world. It's not surprising to us that so many alumni return to our campus year after year. Due to the closeness of our Academy family and the character and incentive one acquires here, IT IS BOUND TO HAPPEN!*

# ENERGY AND ENTHUSIASM ABOUNDS

*These enthusiastic Keywanettes find the time to relax on a beautiful fall afternoon to welcome a former student as they try to urge our determined Soccer players on to another victory.*

*Many of our excited students found a pleasant way to release a lot of their pent up energy at the SGA Fall Dance following a Saturday afternoon Soccer match. Obviously, they know how to "Boogie Down"!*

*Mr. Pratt knows the "tricks of the trade" when it comes to Motivation Time! Through his inspirational messages at our Wednesday Assemblies, he provides that "Food for Thought" that can carry us through the "hard times"!*

*Our energetic J.V. Cheerleaders know how to spark our interest at any of our athletic events. If we could only bottle and sell their enthusiasm!*

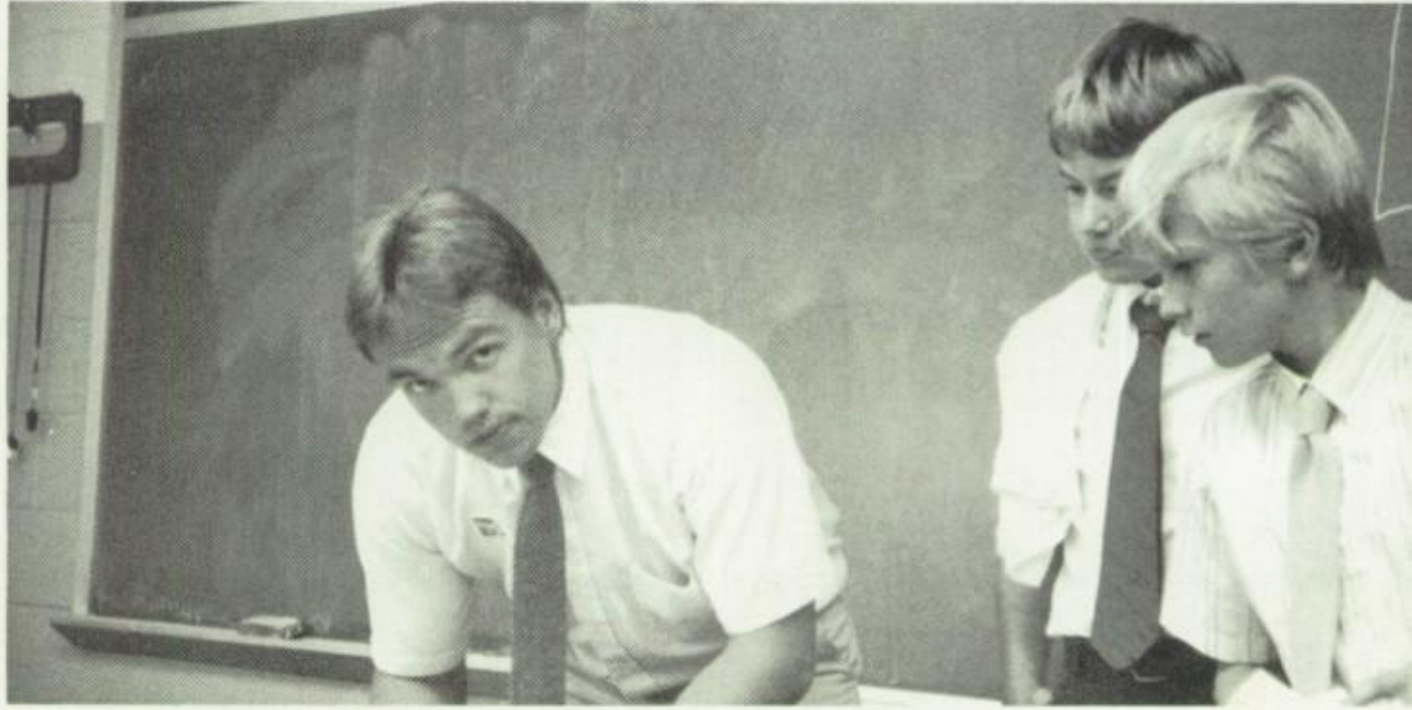

*Starr Smith and Joy Kittinger, both new students to our campus, find a moment to reflect on the changes they have had to adjust to in their new environment.*

# THROUGHOUT OUR CAMPUS

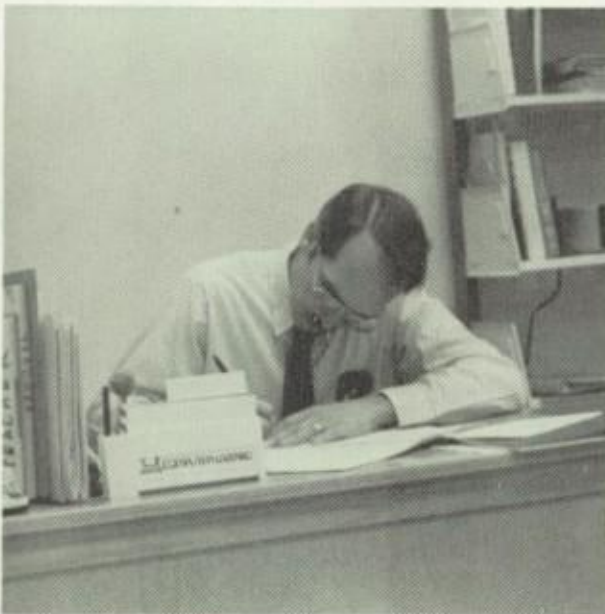

*Mrs. Taylor holds the interest of her AP Biology class as she breaks down the complex components of a micro-organism.*

*Jeff Bradshaw, our newest addition to the Science department and coaching staff arouses the interest of his J.V. Soccer team by distributing their new uniforms.*

*Rebecca Potter, Mary Allyson Wherren, Katie Cadol and Billy Carr have a fun time trying to find subjects for their Photograph Assignments for their Photography class.*

*Mr. Bohlen, our master computer instructor and Algebra teacher, finds time to work up a new computer program for his class.*

*Mrs. Gaddis, our dedicated Lower School librarian, assists two interested young girls in locating that perfect resource.*

# WE ARE BOUND TO BE FACED

*A cute, little curly haired blonde from the Kindergarten class looks in amazement at the bars she wants to attempt to cross. Something in her eyes tells us she's going to make it!*

*These four little fellows don't look like they're quite ready for their rest period! Their faces seem to be shouting: "Let us go out and play soccer!"*

*This happy little boy is trying to point out the fun he's having learning to operate a simple computer program.*

*Will these young acrobats find a way to get back to class?*

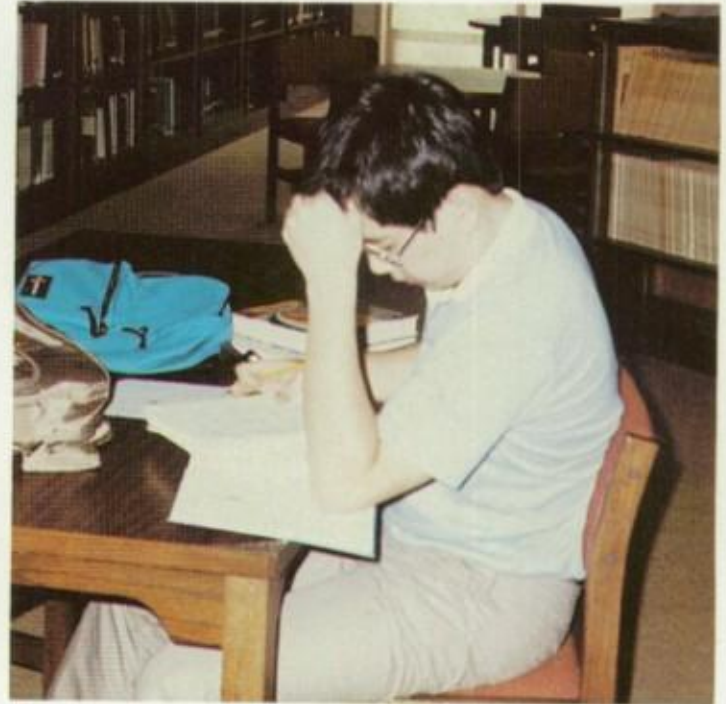

# WITH A VARIETY OF CHALLENGES

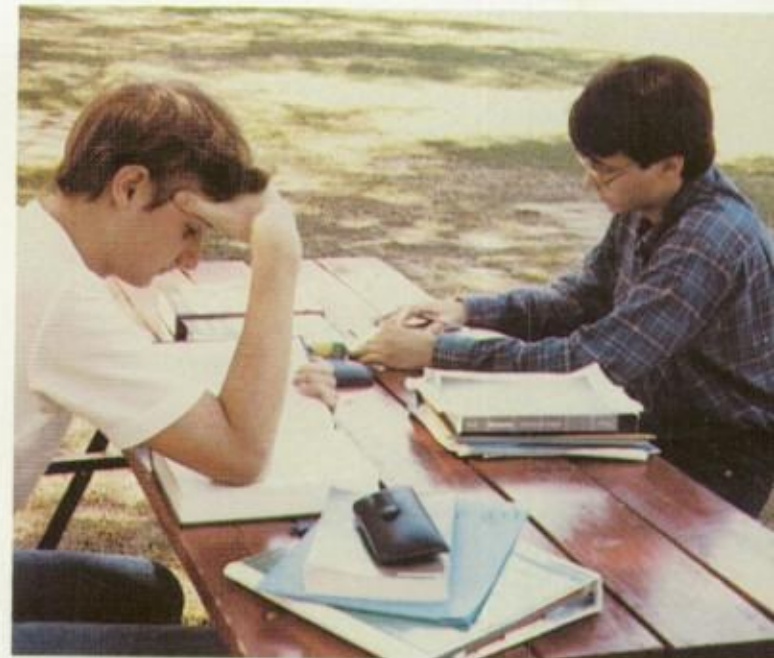

*Wendy Couey, Manu Verma and Ray Schliep carefully assess their mixture, while Mrs. Durham prepares another test.*

*Peter Lee takes that much needed opportunity to get ready for that next Trigonometry test!*

*Mr. Green gives some valuable instruction on the guitar to Tim Diffley, who really wants to "jam out"!*

*Glenn Murphy and Chris Salyer enjoy a warm fall morning preparing for Economics class!*

*Emily Ferkes and Kirsten Westfall are obviously very pleased with their paper mache creations. A super job girls!*

# WE ARE BOUND TO EACH OTHER

*Cliff Bostic and Patti Hardee discuss the crowded condition of her locker while they patiently await the end of lunch.*

*John Beyer shows us his versatility as he assists Ms. Lambert with her Lower School class. Looks like fun, John!*

*Deborah Osterneck and Jackie Smith seem to be sharing a funny secret. Knowing these two, the secret will be known very soon!*

*Rebecca Potter, Shannon Prentice and Meredith Howard are loaded down with books and bags as they make their way to their next class.*

*Erin Webb, Cindy Danker and Mary Frances Neal seem to be inseparable at times. Sorry girls, you can't fit three into a desk!*

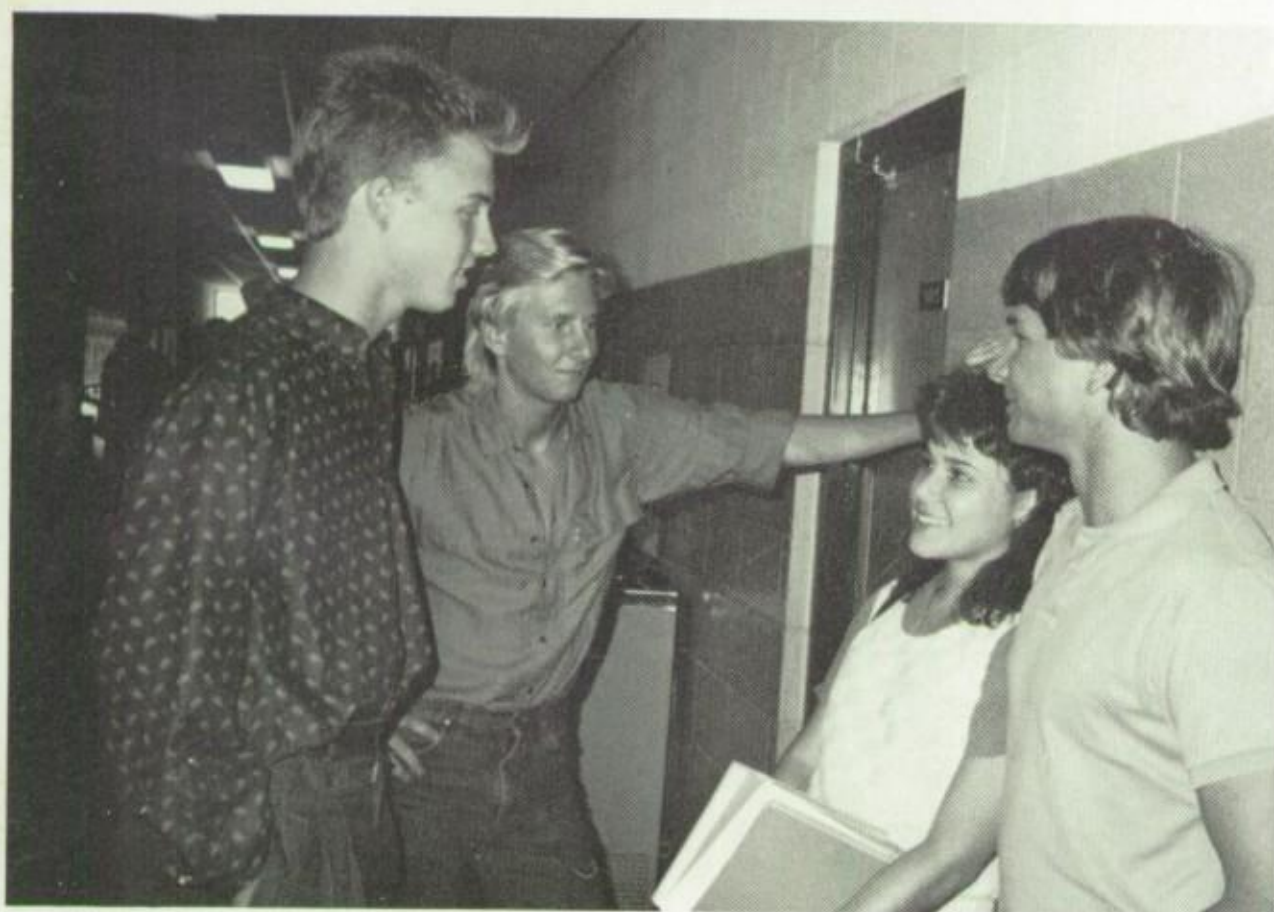

# IN CLOSE FRIENDSHIP TIES

*Bridget Lutman and Peter Wasson find a quiet moment to check over their notes before their next class. They seem to find a lot of time to talk to each other in their busy schedules!*

*Wendell Bowyer checks with Anna Newton on an important assignment while Doug Ginn listens. Rick Reneau does his own thing!*

*Delia Paris and Jay Runy are really engrossed in what Peter Murphy and Mark Scholz have to say between classes.*

*David Waller and Philip Krzeminski check out their note cards during a quick lunch break.*

# OUR SCHOOL SPIRIT IS BOUNDLESS

*Suzanne Evans is hard at work on the Campaign Trail as she passes out "Vote for Suzanne" cards. Suzanne did a super job as she campaigned for the President of the Lower School Student Council. Suzanne's warm smile and personality will take her a long way!*

*Matt Williams, Lee Jackson, Jon Dewar, Keith McCormick and Lisa Harris show their true Blue and Gold colors as they take a break before that big soccer game.*

*Members of the Science Club really got into the spirit of the moment on a trip to a gold mining camp last fall. They were hoping to "strike it rich", but the only gold they came back with were the memories of a super week-end!*

*When the time is right, the Academy students really know how to "Freak Out" and "Party Down" at a moment's notice!*

*These students in Mrs. Hurst's room seem to enjoy "making the pieces fit" during their play time!*

# SCHOOL DAZE, SCHOOL DAZE . . .

*From the moment of that 8:30 bell to the long awaited 3:00 bell, our campus becomes a bee hive of activity. One can sense the creative energy that comes alive from the sights and sounds that constantly permeate the halls and walls.*

*Mrs. Courie gives a last minute inspection to her second grade as they get ready for their special activity class.*

*Our Lower School students find their computer classes fascinating. Keep punching those keys!*

*These three young ladies always seem to enjoy each others company as they patiently wait for their rides.*

*Do you need a band aid, Robbie?*

*Was it that funny, Doug?*

*You better hurry Cindy and Pam, you're going to be late!*

# DEDICATION

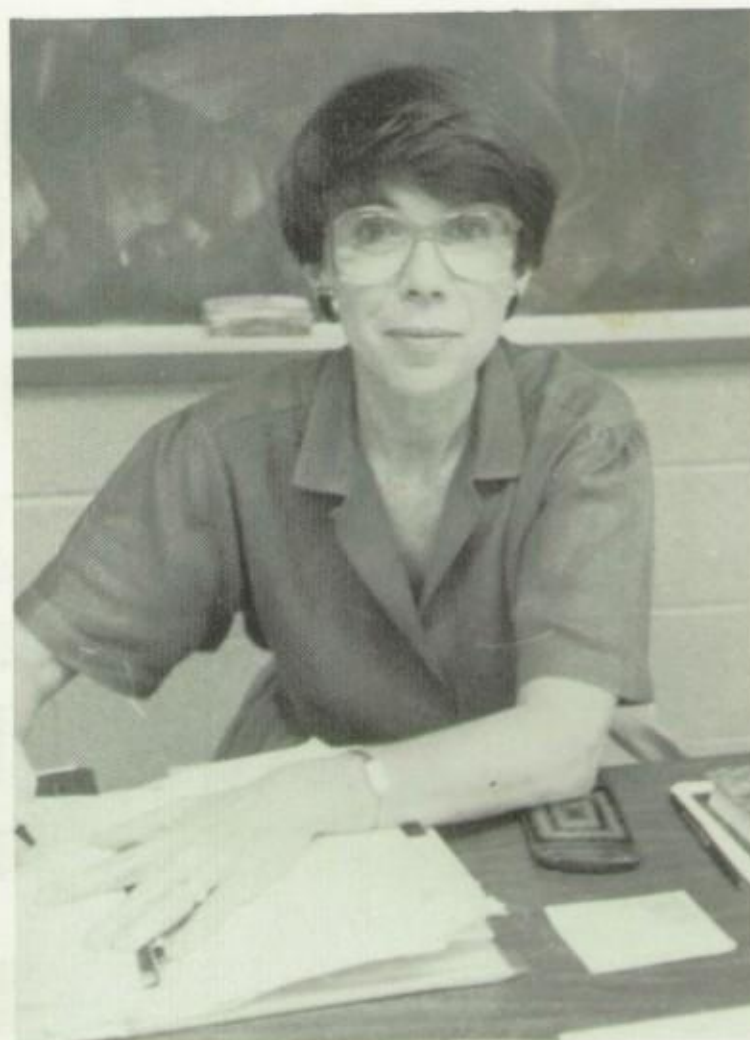

One of the true hallmarks of a genuinely dedicated person is the unselfish and loving attitude which he displays when asked to perform any task, regardless of its simplicity or complexity. Our school is noted for this dedication among its staff, faculty and student body. Our success is due primarily to those who have accepted the challenge of doing the very best for our students and school. It matters not if the challenge comes from within the classroom in the form of questions or if it comes from the act of chaperoning a multitude of students for the sake of an educational experience on a field trip. The person to whom we dedicate this yearbook is another prime example of a dedicated educator. This teacher is a positive force in generating a real excitement for the understanding of our culture as well as those of foreign fields. She has strolled the Avenue des Champs-Ellysees in Paris, hiked the hills of Rome, and sailed to the Grecian shores of Ulysses with many fascinated students. We are indebted to this teacher for her love of the foreign tongue and for her ability to create that love and interest in her students. For this reason, the 1986 Eagle Staff dedicates this yearbook to Mrs. Rollin Shaw.

Mrs. Shaw is delighted to talk about AFS at anytime! Lisa Kemper and Brian Neal enjoy sharing their summer experiences as AFS students in Iceland and England with Mrs. Shaw and Nikki Dalzeill, our enthusiastic exchange student from New Zealand.

Mrs. Shaw brings the excitement and color of the French language to life to her receptive students.

The grading and evaluation of her students' work is a serious task to this dedicated teacher.

## OUR "LITTLE ONES" ENJOY SCHOOL IN EVERY WAY!

*If you ever feel down or depressed about anything, a sure cure would be for you to take a walk through our Lower School rooms and to stroll around the playground when our "little ones" are at work and play! When you see the delight in their eyes and the smiles on their faces when they've learned something new, or when they cheer each other on the playground it's sheer magic, and your joy, as you observe theirs, is reborn.*

*The computer screen reflects the amazement in a young boy's face as he becomes part of the Computer Age!*

*Mrs. Hurst admires the work of one of her many talented Kindergarten students.*

*Mrs. Ray's young students patiently wait for their next "fun game"!*

*This young girl takes a break before she makes it "to the top"!*

*Welcome to "Faerie Tale Theatre." You better find a seat while you can!*

*This little lady will make it all the way, if she keeps "hanging in there"!*

## L-S HALLS — A BEE HIVE OF ACTIVITY

The gaily decorated bulletin boards, the decorative doors, the art work and campaign posters that adorn the walls in our Lower School are significant examples of the school spirit that overflows into the halls of our Lower School wing. These young students show a real pride in their school and take every opportunity to spread their Eagle spirit!

A proud line of 6th grade art students stand before their finished product, an attractive display of autumn scarecrows. Wouldn't the Land of Oz be happy to have these scarecrows?

The magazine and "fun books" rack is always a popular attraction.

These young ladies seem to be enjoying the "Campaign Spirit" before Election Day!

These "young beauties" want to find out more about Mr. Pratt's "Headmaster's Holiday"!

The LSSC Elections is an exciting activity, and one that is not taken lightly among these spirited young students!

The "right poster" in the "right place" could mean the "right vote" for the "right person"! Isn't that right?

## SEVENTH GRADERS ADD ZEST TO CAMPUS LIFE

Much of the excitement and energy that can be observed throughout our Middle School wing is due on behalf of the enthusiasm that our seventh graders seem to be filled with. Their animated gestures and conversations are evidence of their interests in their academic as well as their social growth. They have adjusted well in this year of growth as they have conquered the obstacles that were placed before them, such as the hectic pace of changing classes, the races to the cafeteria, and the balancing of complex time schedules. **SEVENTH GRADERS — you've done well!**

Kenny Jones and Tom Rose work hard in setting up their assigned display for their Communication's Class. They could be counted on to give it their best shot.

Sarah Purvis and Carrie Pace seem to enjoy getting "sticky fingers" in creating their collage master-piece in Mrs. Parker's art class.

If you ever need to borrow a smile, Chai Lee is the one to borrow it from. He always has one!

Ashley Stancil giggles with delight after hearing a funny story from one of her pals!

W.P. Dorman finds time to show Lee Glanville, a new student, how his camera works.

Carrie, April, Amy, Julie, Ryan and Teresa bid a fond farewell to their friend, Charisse Wilburn.

*If you're in the hallway in the Middle School when the bell rings, you better look out! The doors fly open and the 8th graders are off and running! They've got to meet their friends in the hall for that "bit of gossip" or to find who's going with whom since the last class! Then it's time to beat the clock as they rush to their next class. They're determined to keep up with their fast-paced schedules. They seem to have an inexhaustible amount of energy. It's fun to watch them go and grow!*

*The pensive look on Joellyn's and Bethany's faces indicates concentration for Mrs. Lowe.*

*Did Katie really find that fur ball in her locker?*

*Ami hurries to get her "stuff" together!*

*Mary Allyson patiently waits for the bell to ring so she can rush to Phys. Ed.!*

*Kirsten's paper mache project looks like it's about to get the best of her!*

*Ryan rushes out to pick up her lunch so she can meet her friends and "chew the fat"!*

## MIDDLE SCHOOL'S ENTHUSIASM IS CONTAGIOUS

*When one observes the hurrying and scurrying of our energetic Middle Schoolers, it makes one wonder where all that energy comes from? Their giggles and squeals of delight in their animated conversations are just samples of their immense enthusiasm in all that they do!*

*Mr. Till gives the MS student body a charge to listen to the campaign speeches of the MSSA nominees in preparation of the election of the new MSSA officers.*

*Lee Ann and Deborah have their "Ups and Down" as they search for super photographic subjects!*

*Sara, Julie, April and Bryan listen intently while Mrs. Cheatwood discusses a Spanish translation with them in the EFL program.*

*Ami rushes to the library for her Builders Club meeting.*

# FRESHMEN BELIEVE IN GETTING INVOLVED!

*This year's Freshman class is one of our largest ever! Fortunately for our school, these students brought much of their enthusiasm from their Middle School years with them. They were anxious to prove their metal, and prove it they did! They became actively involved in SGA, Key Club and Keywanettes and AFS. They obviously wanted to become an integral part of the Academy life.*

*Felicia Jones seems to have Lisa Cooper's, Beth Hall's and Robin McDonald's attention as she describes her "fun week-end".*

*Drew Hook, one of our newer students, displays a keen interest in an SGA discussion.*

*Matt Ignatovig hurries to find his English book and homework.*

*I-Chung Wu, Tim Kerns and Scott Saunders find time to "chew the fat".*

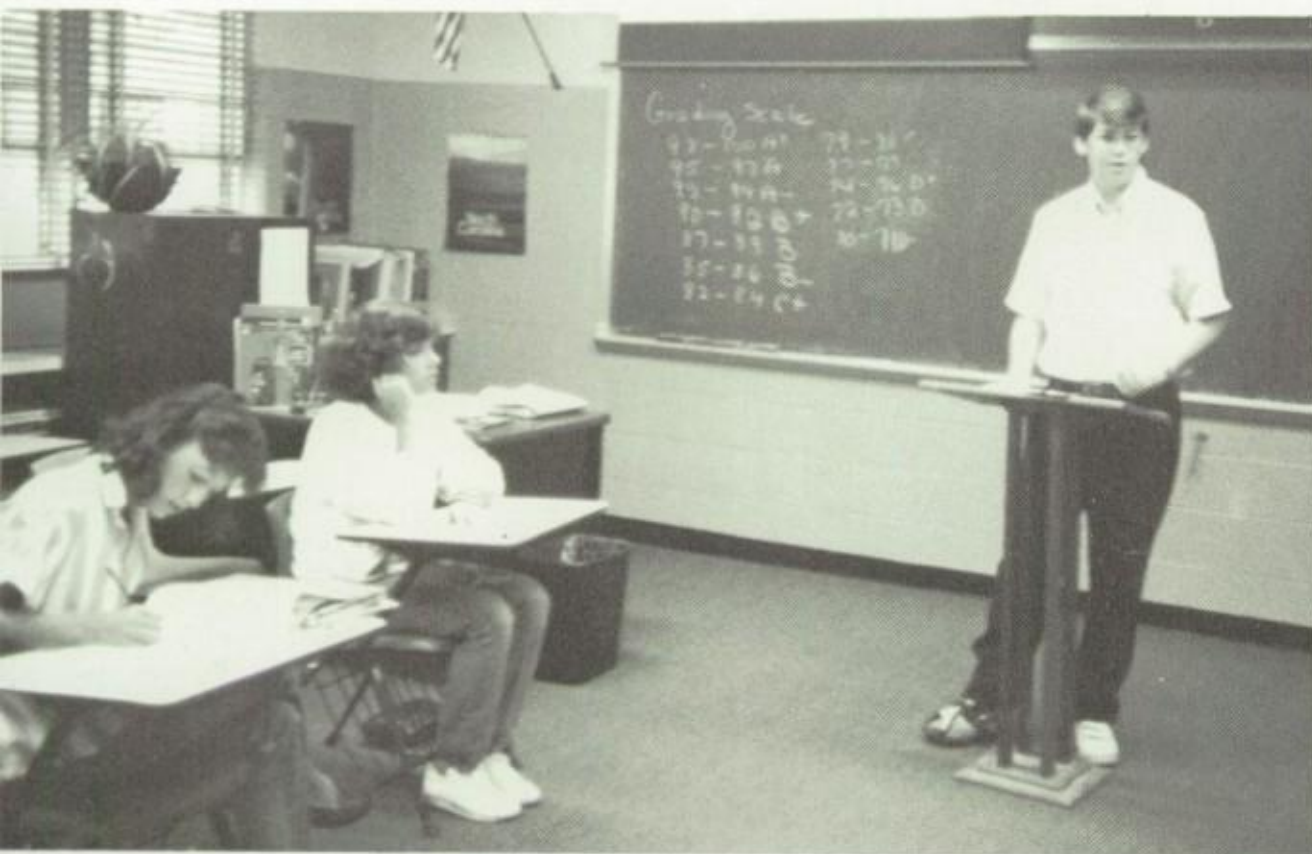

*Kathy Vieta pauses to refresh herself at the oasis.*

*Shannon Faver, Cyndee Clark, Kathy Vieta and Pam Eissinger know how to "kick back".*

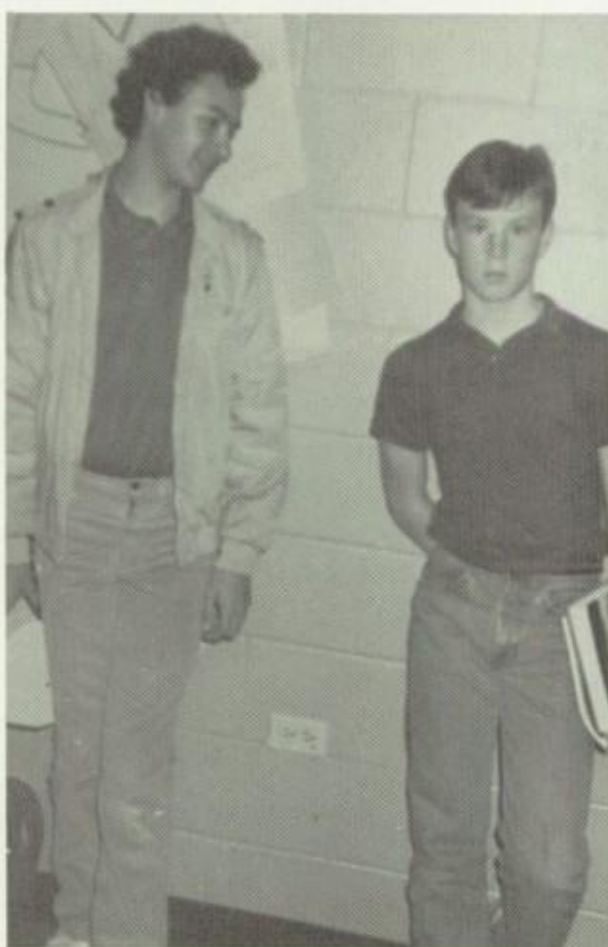

*The excitement of their first year in high school is carried with these students throughout the year. They learn only too quickly that one has to be part magician at times when it comes to balancing your time between academics, athletics and that all important "social time". However, they are determined to meet their responsibilities like the real "Eagles" they are! They have looked too forward to reaching this point, and they're not going to let anything block their path! They did a super job and made us all proud of them!*

*Jerry Meek delivers his usual inspirational motivational speech at an important class meeting. This young man knows how to "get things done."*

*Kathy Vieta entertains Starr Smith, Joy Kittinger and Shannon Faver.*

## **SOPHOMORES PROVE THAT QUALITY IS BETTER THAN QUANTITY!**

*It's not always the size that counts! The class of '88 has been proving that fact all year! Their school spirit has been second to none. This was the year that most of them got their drivers license and were given the honor of "finding their space" in the underclassmen parking lot. They began to realize that they were half way through their "high school daze" and that they had better start thinking about what lay ahead of them. It was a super year, and there was so much to look forward as they fast approached their exciting JUNIOR YEAR!*

## JUNIORS GIVE IT THEIR ALL

### — FOR THE GOOD OF ALL!

The Junior year has often been described as the most exciting year in one's high school career. Ask any of our Juniors, and they'll quickly agree! They are over that awkward hump of being a mere underclassmen and now enjoy the status of a dignified Upperclassmen! This is the year they have to wrestle with the PSAT, and the multitude of fund raisers to pull off the most glamorous night of the year — the Junior-Senior Prom! With the able-bodied guidance of the Junior Class sponsor, Mrs. Sue Holden, they are able to accomplish this in fine style. This is also the year, many of the juniors get their class rings and wear them with pride. They suddenly realize that they only have one more year at the Academy, and they are determined to make it their best! So, get ready, the Class of 1987 is on their way to the top!

## SENIORS "SHAKE UP" SHAKESPEARE

*The Bard, himself, would have been pleased with the work of the Seniors with their interpretations of some of Mr. Shakespeare's more famous works. Mrs. Ingall's was so impressed that she had their memorized scenes video taped for posterity. The Seniors were happy for the chance to "dress up" and to trod the boards for the Bard! Alas, poor Seniors! We knew them well!*

## LIFE IN THE HALLS — SENIOR STYLE

*What is that noise? The shouting, laughing, slamming of metal? Is it the storming of the Bastille? No, it's just our Seniors in the halls. They're playfully fighting, desperately looking for lost Cliff notes, hungrily looking for snacks in Tate's locker, romantically holding hands, thoughtfully studying, practicing yoga! Our halls will miss them!*

## IT WAS BOUND TO HAPPEN!

*It's been an exciting year for our mighty SENIORS! They've shared moments of joy when they passed their Trig exam, moments of sadness when they said farewell to Nikki, and moments of triumph when they got the college acceptance of their choice! There were the many occasions that brought this class much closer together, such as the SATs on those bleak Saturday mornings, the parties at Plato's and CeCe's, the Jr.-Sr. Cookout, the Donut Sale, and the Senior Trip to NEW YORK! Remember the bright lights of Broadway and the rattle of the subways! It was truly a year to remember!*

*At right, Peter Lee shows John Belt how he gets into his car when he's locked the keys inside!  
Below, Bridget gets ready for that test!*

*Doug's smile tells it all! It was a proud day for the Senior soccer players as they won the State title for the second time!*

*Chris and Cam exemplify the true spirit of the Class of '86! This class was held together with a bond of friendship and caring for each other that will surely pass the test of endurance and time!*

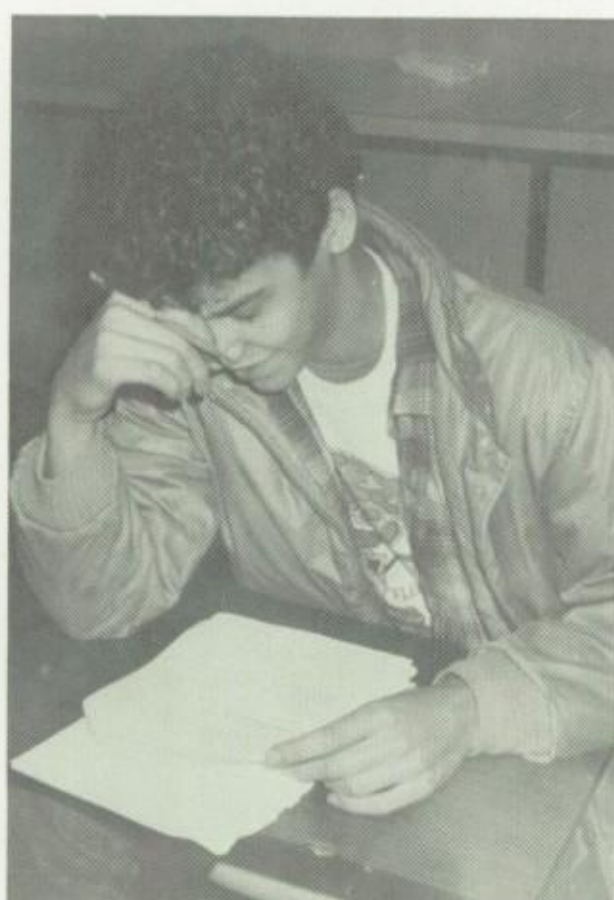

## THE CLASS OF '86 MADE THEIR PRESENCE KNOWN!

*Seniors show their spirit at a "heated" pep rally to prove they're No 1! It was obvious to all of us that they wanted to leave their imprints behind.*

*Lee Jackson's eyes sparkle and her smile dazzles our yearbook photographer, Buddy Tingle, as he catches Lee off guard at one of the Seniors' social functions!*

*Above, Michele Dial finds a good place for her bottle! Below, Ari Schur discusses the pros and cons of being the class president! Ari did a super job as class pres!*

*Above, David Meek crams before that big Mod. European test! Below, Sherif Farag flips through his GQ magazine during the morning break.*

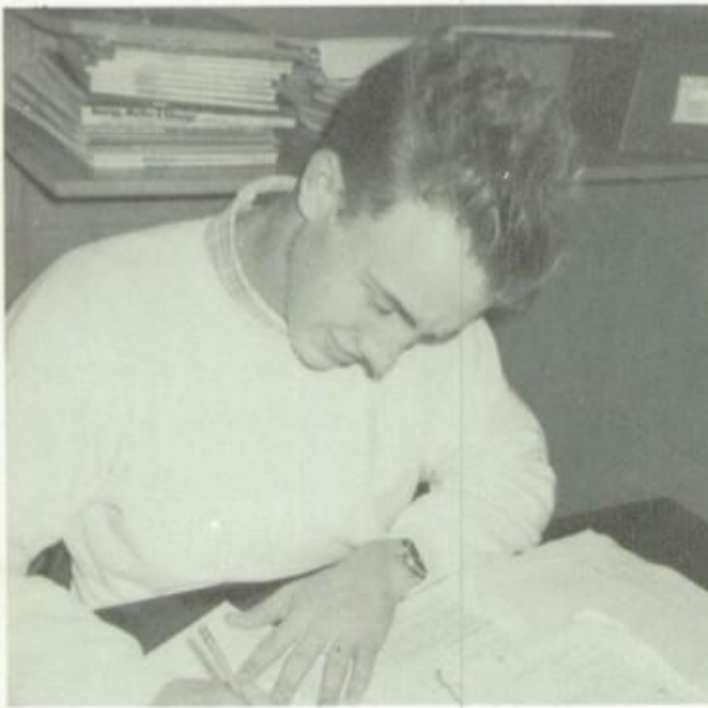

*Above, Bonney Harry finds a comfortable spot to pacify those hunger pangs at lunch! Below, Marisa Komes and Tammi Beckham takes time to check their <sup>77</sup> notes before Econ!*

## OUR SENIORS ARE ON THE MOVE!

The familiar notes of "Pomp and Circumstance" seem to fill the air as our Seniors begin to anticipate the awesome realization that they are now faced with an ending and a beginning. An end of twelve years of preparation for this moment. **GRADUATION DAY!** The Class of '86 has left its mark, one of which they can be proud! They have left in their wake National Merit Scholarship finalists, a Morehead Scholarship finalist, a variety of athletic honors, such as State Soccer Champs for two years! In the fields of Science and Art, this class has equally excelled! The future looks mighty bright for this class! They have displayed the energy and enthusiasm that will guarantee a most successful future!

## CLUBS CREATE PRIDE IN SCHOOL AND COMMUNITY!

*The clubs at the Academy offer our students the opportunity to excel in areas other than academic and athletic. They are provided an excellent vehicle in which they can perform a service for others as well as themselves. Not only are they given the opportunity to serve the Academy, they are able to serve the community in a variety of ways. The Key Clubbers and Keywanettes are noted for their work with the Salvation Army, the Boys Club, Social Services, and the Arts Council. Both clubs send representatives weekly to our sponsoring Kiwanis Club. Both clubs also show their appreciation to the faculty by having "Secret Pals" and an appreciation banquet.*

**STUDENTS GAIN  
RESPONSIBILITY  
AND SELF-AWARENESS  
THROUGH  
CLUB PARTICIPATION**

*Usually, the main purpose for any club is to serve. Equally as important, however, clubs should also provide a source in which its members can build character. The clubs here at the Academy do just that! Members of the Honor Society are inducted primarily because of their academic achievements, but their loyalty, leadership, and character play a very important part in their final acceptance. The Science Club, AFS, and Fine Arts Clubs encourage its members to become more aware of their physical and cultural environments. This is accomplished through environmental lectures, student exchange visits to foreign countries, and the support of our cultural community.*

# MS STUDENTS SUPPLY ENERGETIC SOURCE FOR MIDDLE SCHOOL CLUBS

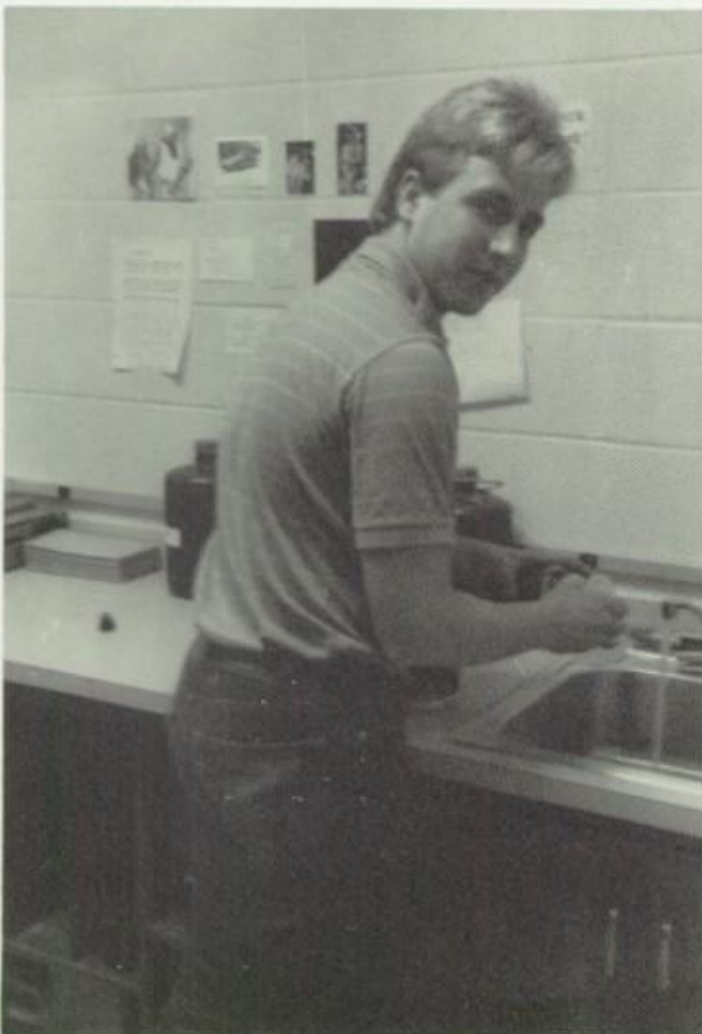

*Our Middle School students have proven time and time again that they too have a sense of loyalty and a desire to serve our school and community through their club participation. The members of the MSSC have provided the school spirit that is necessary in finding ways to maintain the close ties of the Middle School program. Members of the Latin Club do their best to promote a better understanding of the basis of the romance languages. The Builders Club takes a great deal of pride in their projects as they collect food and clothing for the needy, and as they work to serve the school.*

**ACTIVITY PERIODS GIVE  
STUDENTS  
A CHANCE TO BE CREATIVE!**

*A new addition to our daily schedule has been most receptive this year. A sixth and seventh Activity Period was added to offer our students an opportunity to participate in the cultural arts program as well as the Journalism, communication, computer and typing programs. It was obvious that our students were ready for this as they expressed their enthusiasm for their classes. This provided our students a super chance to "broaden their horizons!"*

## F.A. CHORUS HAS MUCH TO SING ABOUT

*1st Row (L-R): Diane McDonald, Cindy Danker, Fran Lucas, Joy Kittinger, Erin Webb, Kathy Hyatt — 2nd Row: Carolyn Clark, Carrie Sheek, Mary Frances Neal, Jessi Jackson, Starr Smith — 3rd Row: Otis Lambert, Barbara Lambert*

*Under the expert directorship of Otis and Barbara Lambert, the young ladies that comprise the F.A. Chorus have made an outstanding contribution to our Fine Arts program this year. They have truly "thrilled us with song" as they performed at our Wednesday morning assemblies, and the annual Thanksgiving and Christmas programs. Their talents were further shared in the community as they presented programs to a variety of church and civic groups. The glow beaming from their faces as they were called on to sing their encores told their audiences that they were proud of their talents and that they knew that they had much to sing about!*

## HIGH SCHOOL JAZZ ENSEMBLE

*1st Row (L-R): Andy Liepens, I-Chung Wu, Michele Fleischmann, Tim Diffley, Gregg Ginn, Sean Garison, David Waller 2nd Row: Philip Green, Cliff Bostic, Ammon Brock*

## MIDDLE SCHOOL BAND

*1st Row (L-R): Julie Costin, Amy Vieta, April Martin, Chai Lee, Ryan Jessup, Casey Hogan, Bethany Barratt 2nd Row: Julie Merrill, Beau Addison, Gary Weaver, Cullen Nolan, Mark Hellerstedt, Keith Gilbert*

## ART CLASSES ARE COLORFUL AND CREATIVE

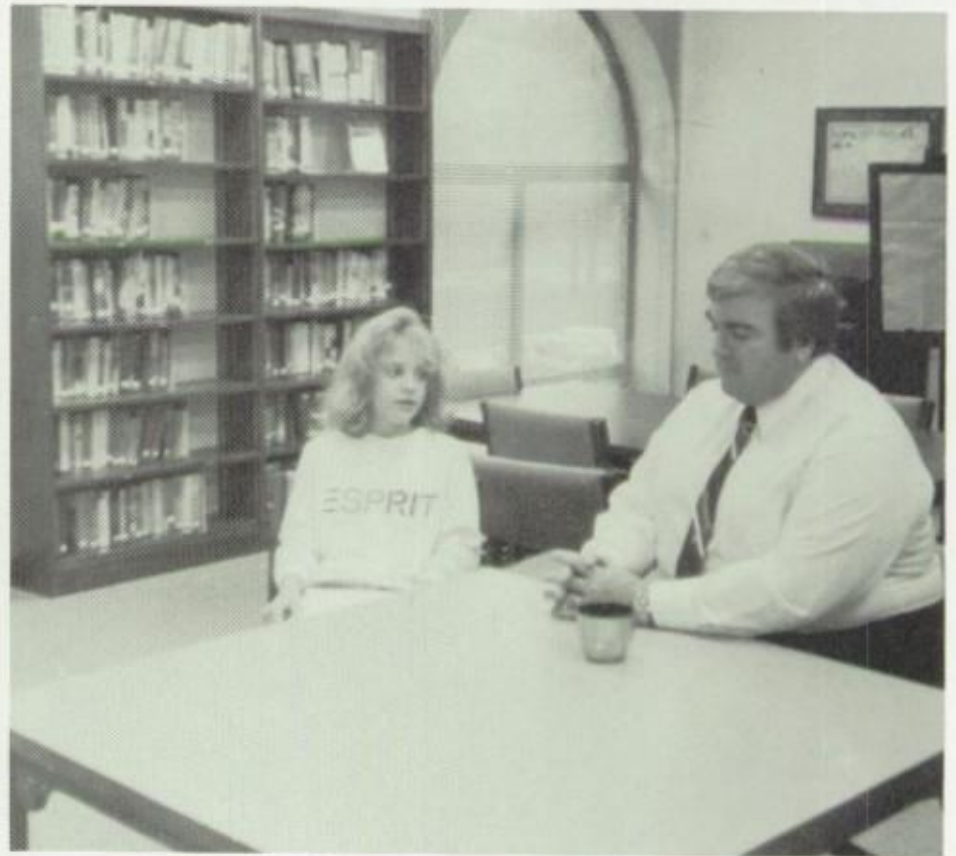

*When one is passing the art room, it's always a temptation to walk in to see the happy faces of the art students as they work on their assigned or self-created project. The clay covered hands of the artist at the potters wheel promises a beautiful creation by its creator. The glue and paper stuck all over the table is transformed to an imaginative paper mache animal. ART CAN BE FUN!*

## VIDEO SKILLS BUILDS COMMUNICATION SKILLS

*What's the best way to remember a special event? You could jot it down in a diary, carve it on a tree, or compute it in your memory bank! The best way of course is to Video the event! Mrs. Linda Myers has taken on the task of teaching a few of the more interested students in the video communications field. Her main goals were to have the students learn to use and maintain the video equipment properly, and to learn how to organize a video project skillfully. The students involved showed a great deal of interest and were anxious to see "the fruits of their labor"!*

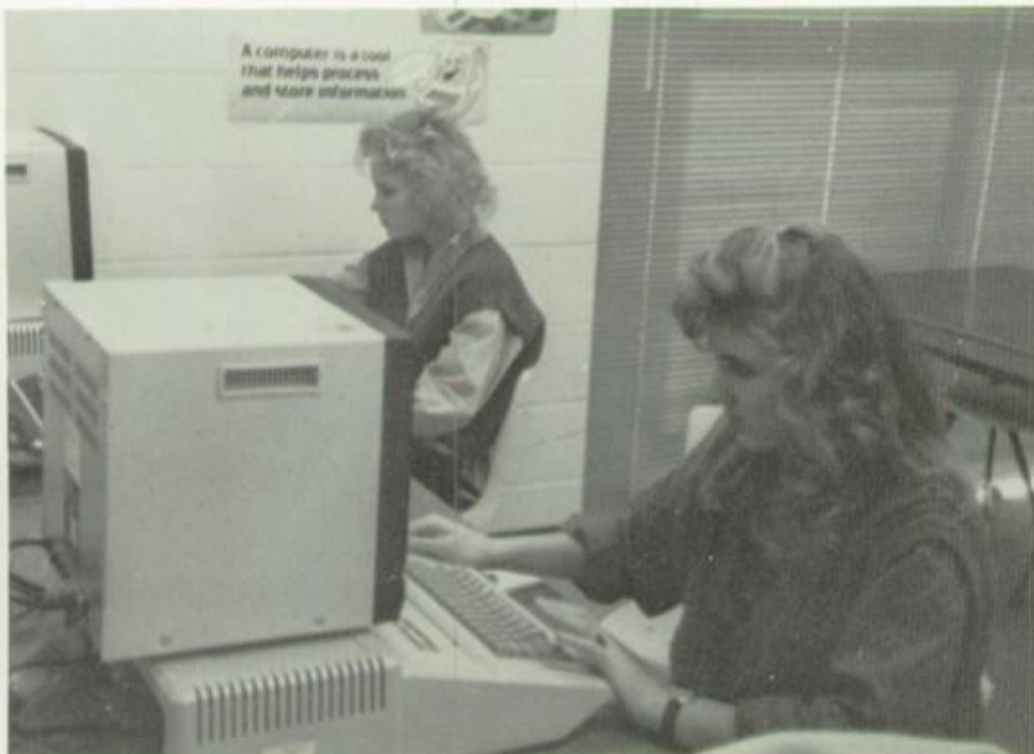

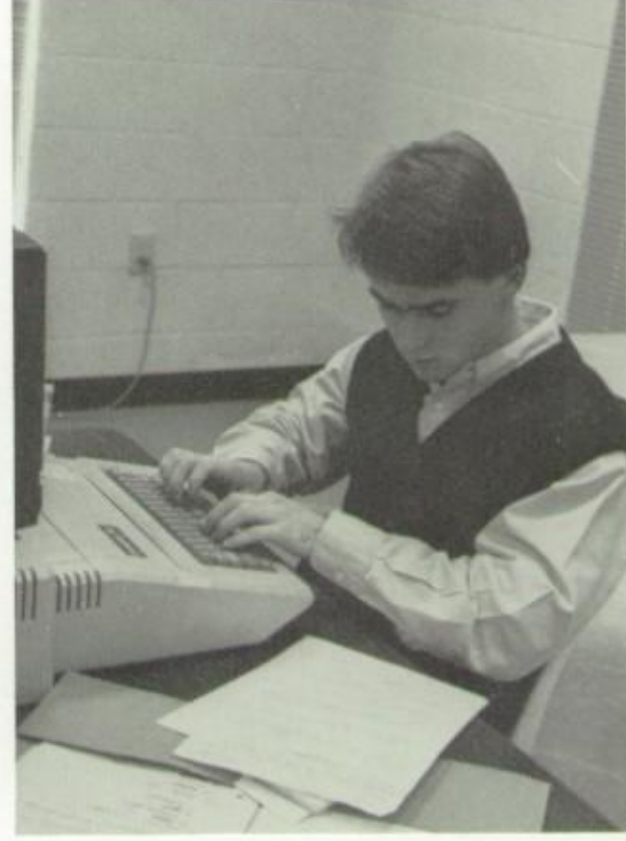

*The Middle School students learned to make commercials, a newscast with weather, editorials, international news and sports. They interviewed several faculty members. They also did a short visual essay on "How Not to Study". One of their most important tasks was to set up a short information program on fire safety and tornados for our lower school. The Upper School students also created some special interest programs, made a PR film about the Academy and recreated a comedy sequence about a parrot. All agreed that this was a super activity!*

## STUDENTS OBTAIN HIGH TECH SKILLS

*In today's face-paced world of business and high tech science fields, it is necessary for us to become more skillful in the use of complex office machinery, particularly with the wide variety of computers. Our students begin their training with the basic typing skills by learning and acquiring accuracy and speed with their typing. When they have perfected their typing skills, they can adapt quickly to the computer keyboard. The computer offers them all sorts of programs in which they can become proficient. With the acquisition of computer mastery, many doors become unlocked in this Age of Computers!*

## MS STUDENTS ACQUIRE JOURNALISM SKILLS

We've seen them running all over the campus with their cameras looking for the most interesting subjects to capture for their photographic assignment. There's not a corner of the campus they haven't covered! These excited Middle Schoolers were anxious to learn as much about photography as they could. With the expert guidance of Buddy, John and Sherif, they did just that! These students also published several editions of the Eagle Eye, the MS newspaper. In doing both of these activities, they gained an appreciation for their newly acquired journalistic and photographic skills.

With eight returning seniors coming off of a previous state co-championship, the 1985 Varsity Boys' Soccer team looked forward to another awesome season. During their grueling three hour practices in the hot sun of June and July, the team set goals for themselves that slowly and surely were fulfilled. The first goal achieved was beating Westover in front of their home crowd and taking home the Wendy's Tournament trophy. The Eagles then overcame extremely tough conference and regional competition to earn a bid to the state playoffs for the third consecutive season under Coach Billy Thomas. Once in the playoffs, the Eagles got it together and annihilated teams that they had previously not beaten by scores of 6-1 and 5-0 making it to the state finals. There, with hometown fans cheering wildly, at nearby Methodist College, the Eagles met and defeated High Point Wesleyan, who shared the Championship last year, and took sole possession of the state title — the highest honor they could receive.

## STATE CHAMPS AGAIN!

## ANOTHER SMASHING SEASON FOR GIRLS' TENNIS!

**Sitting (L-R):** Yiotta Hasapis, Bonney Harry, Elizabeth Croll, Debra Osterneck  
**Kneeling (L-R):** Caroline Clark, Mary Neal, Elizabeth Cadol  
**Standing (L-R):** Pattie Hardee, Debbie Loyd, Barbera Lambert, Jackie Smith, Starr Smith

The Varsity Girls' Tennis Team went through a year of rebuilding. The top four — Debbie Loyd, Mary Neal, Jackie Smith and Patti Hardee — faced plenty of tough competition as did the rest of the young team in singles and doubles. Despite a fair regular season record, the girls showed promise for next year when they came in fifth in the post-season district tournament. Many of the players excelled in the tournament, reaching the finals or semi-finals in their respective divisions. Congratulations go to the Eagles and their coach, Barbara Lambert, who will be looking for a great season next year since most of the team will be returning.

## VOLLEYBALL TEAM NETS SUPER SEASON

*Front Row (L-R): Tami Beckham, Coach Physllis McLaurin, Kim Thurman, Meredith Howard, Nicole Soland, Shannon Prentice, Casi Parrish, Casey Hogan, Dawn Fethers, Marisa Komes. Back Row: Cece Wasson, Anna Newton, Leigh Ann Seigle, Luanne Lennon, Samantha Fethers, Rebecca Potter, Ashley Stancil*

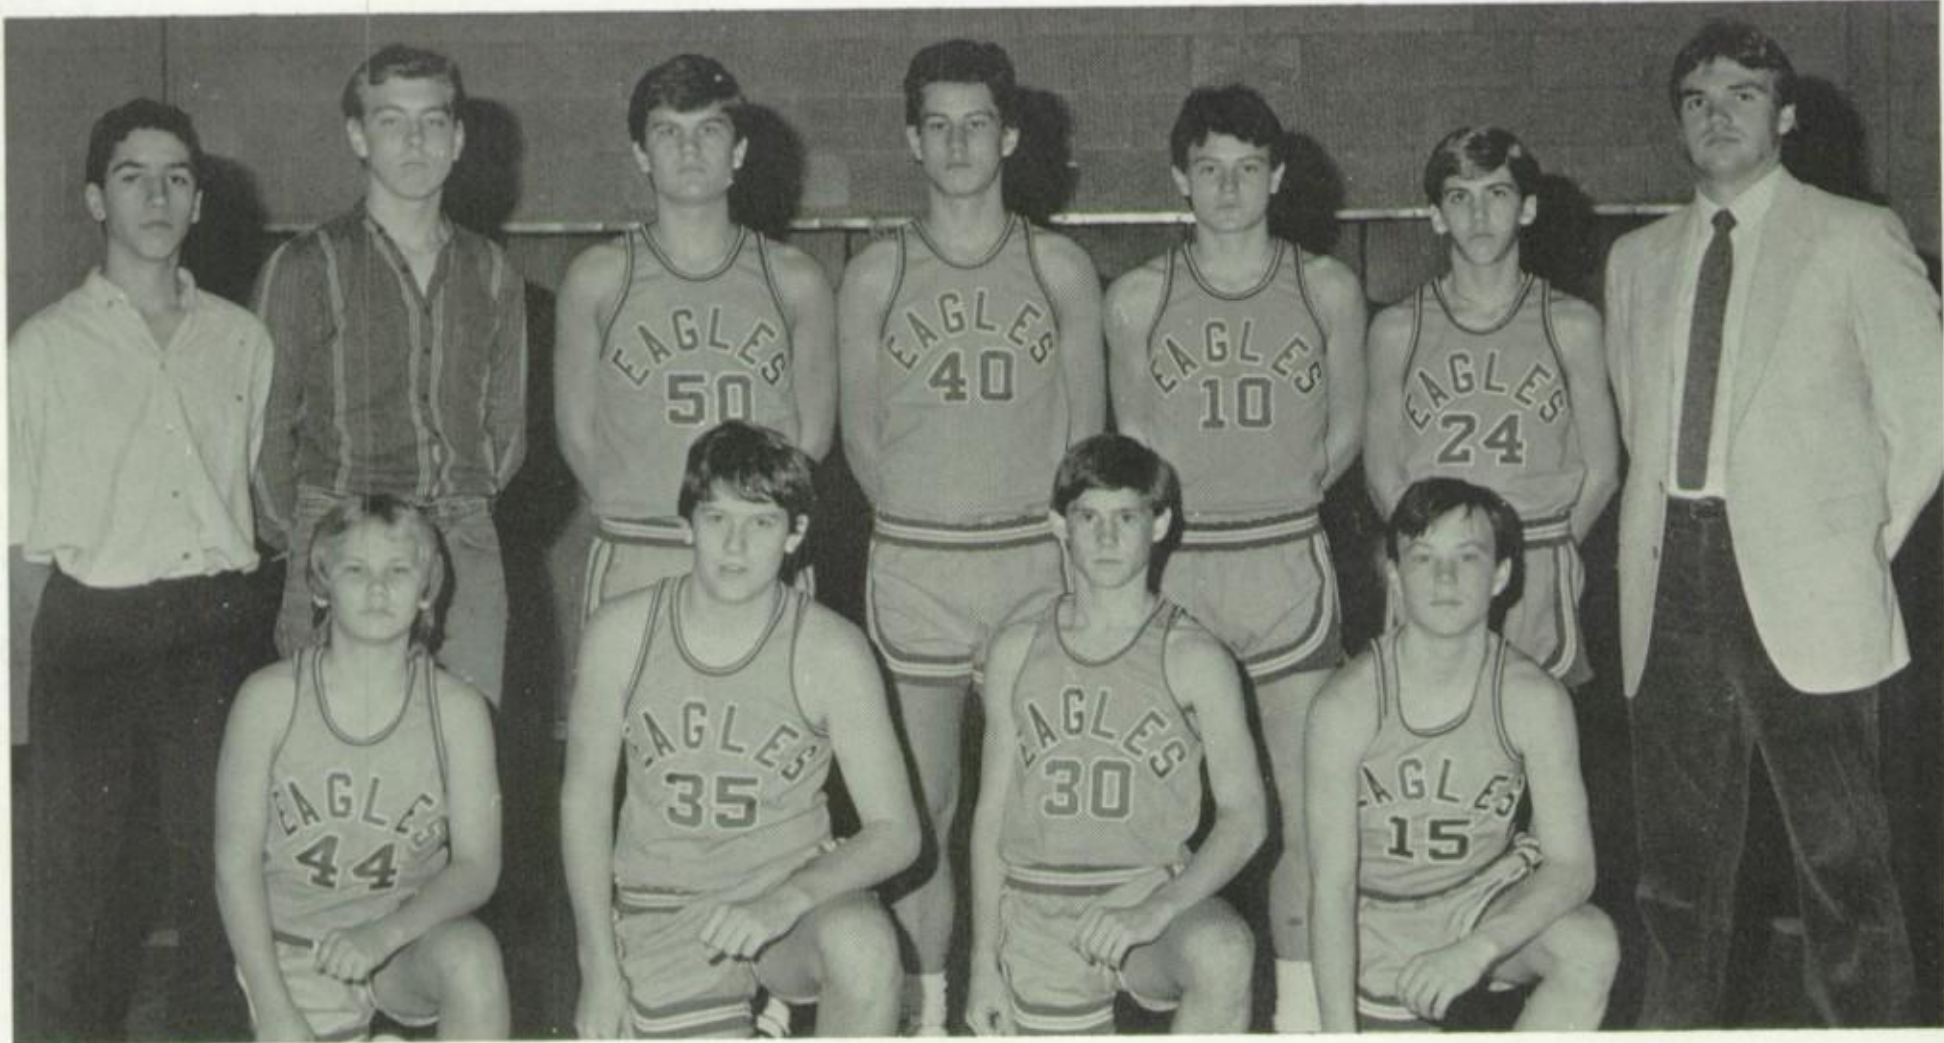

*It was an exciting and grueling season for our ladies of the Volleyball court. The hard-run practices were well worth the effort, when it resulted in a hard-fought victory. These dedicated young ladies, as always, displayed the determination and stamina of all our hard fighting Eagles. They weren't always as victorious as they had hoped, but they "shook off" the agony of defeat, and bounced back to prove to their opponents that they were a force to be reckoned with! Congratulations to our Volleyball team for a well fought season!*

## J.V. EAGLES SHOW THEIR TRUE COLORS!

## **J.V. TEAM WORKS HARD TO PROVE THEY WILL BECOME CHAMPIONSHIP MATERIAL!**

*Youth and inexperience does not get in the way of our determined J.V. team! They practice hard to master the skills that will eventually make them the champs they so badly want to be. This past basketball season could certainly verify that fact. It may not have been the championship season they hoped for, but the enthusiasm and good sportsmanship they constantly displayed made this team the champions our school is famous for!*

*Lance Jessup fires one from the foul line with one goal in mind! He hopes to show the opponents that the Eagles are an awesome force to deal with!*

*Coach Bradshaw calls for an important time out to motivate his boys to GO FOR IT!*

*Ammon eyes his target for that 3 point play!*

*Andy Liepins checks his stats while he takes a break from his announcer's duties.*

## **LADY EAGLES PROVE THAT SPIRIT AND DETERMINATION MAKE CHAMPIONS!**

*No two basketball seasons are alike. We have championship seasons and we have survival seasons! Our Lady Eagles have known more championship seasons fortunately! Time and time again, they have brought recognition to our athletic program because of their determination and spirit. They have gained confidence in their skills because of the encouragement and "tough" practice sessions provided for them by Coach McLaurin. She is their inner source for their pride and "stick-to-it-iveness"! All coaches want their teams to be champions, but Coach McLaurin wants more! She wants each of players to know that they can do whatever they will themselves to do!*

*Tami and Leigh Ann select just the right ball for those serious warm up shots. They know practice makes perfect!*

*Papa Loyd, the team's sixth man, is always there to lend his moral support. His presence gives the Lady Eagles that "extra spirit" to do their very best!*

*Juanne and Patti won't let their opponents near the basket!*

*Marisa and Debbie know how to make their "victims" give up the ball!*

*Debbie rushes in for that easy lay up, while Tami follows to make sure it's in!*

## **EAGLES SOAR HIGH TO REACH A CHAMPIONSHIP SEASON!**

*The suicides! The laps! The millions of practice shots from the foul line! Was it worth all the effort? At times the Eagles would wonder, but in the final outcome, they knew that it was! Each year, our Eagles learn from Coach Bishop that if you want a winning season, you've got to have a winning attitude — about yourself and about the sport! The Eagles might not always be first in the conference, but they are certainly first with us! We always knew when they came on the court, they would go to the limit! That's what it's all about — RIGHT?*

*Chris Salyer gets the pass and rushes down court to his ultimate goal — a clear shot that will help lead to a victory!*

*Nick Potter listens intently to Coach Bishop as he gives him one of his key plays that would eventually bring the Patriots down!*

*Mr. Lewis makes sure his stop watch is working while Mr. Baum checks the names of the opposing team.*

*Coach Bishop brings the team together for a much needed time out during a crucial moment of play!*

**Kneeling (L-R):** Chuck Stutts, Ed Godfrey, Jonathan Dewar, Buddy Tingle, Sherif Farage, Chris Koerner, Tim Diffley, Dino Hasapis, Baker Jordon  
**Standing (L-R):** Coach Ken Snow, Rob Reneau, Sean Garison, Jay Runy, George Markham, David Izat, McRae Hutchinson, Coach John Benson, Coach Todd Kelly

On March 1, 1985 another occurrence was bound to happen here at the academy. That date signified the beginning of practice for the first lacrosse team ever at the school. They hold the unique position with only six other high schools in the state of having a lacrosse team. The first year was excellent as day after day the eagles went through rigorous conditioning and drills for matches with C.P.I.C. rivals as well as traditional sports power Ravenscroft and 3-A public school Chapel Hill. The Eagles romped on through the schedule posting a (6-0) conference record, (8-2) overall. Unofficially, the Eagles captured the state title since they had not lost a single game against a private school. Leading scorer for the year was Jon Dewar with 13 goals, with Preston McFarren and co-captains Doug Dewar and Tate MaQueen not far behind. Other scores were Jay Runy, David Meek, Rob Reneau, and Sean Garison. Goalie George Markham, who recorded 123 saves, ter Murphy held the opposition to an average four goals a game. Another excellent season for a Fayetteville Academy sports team.

## BASEBALL TEAM ENJOYS A HARD HITTING SEASON

**Seated (L-R):** Chang Lee, David Pikul, Gilbert Ray, Ray Schliep, Keith McCormick, Chin Lee — **Standing:** Brian Neal, Greg Ginn, Doug Treadaway, Robert Kennedy, Mark Ginn, Nick Potter, Chris Salyer, Cam Stout

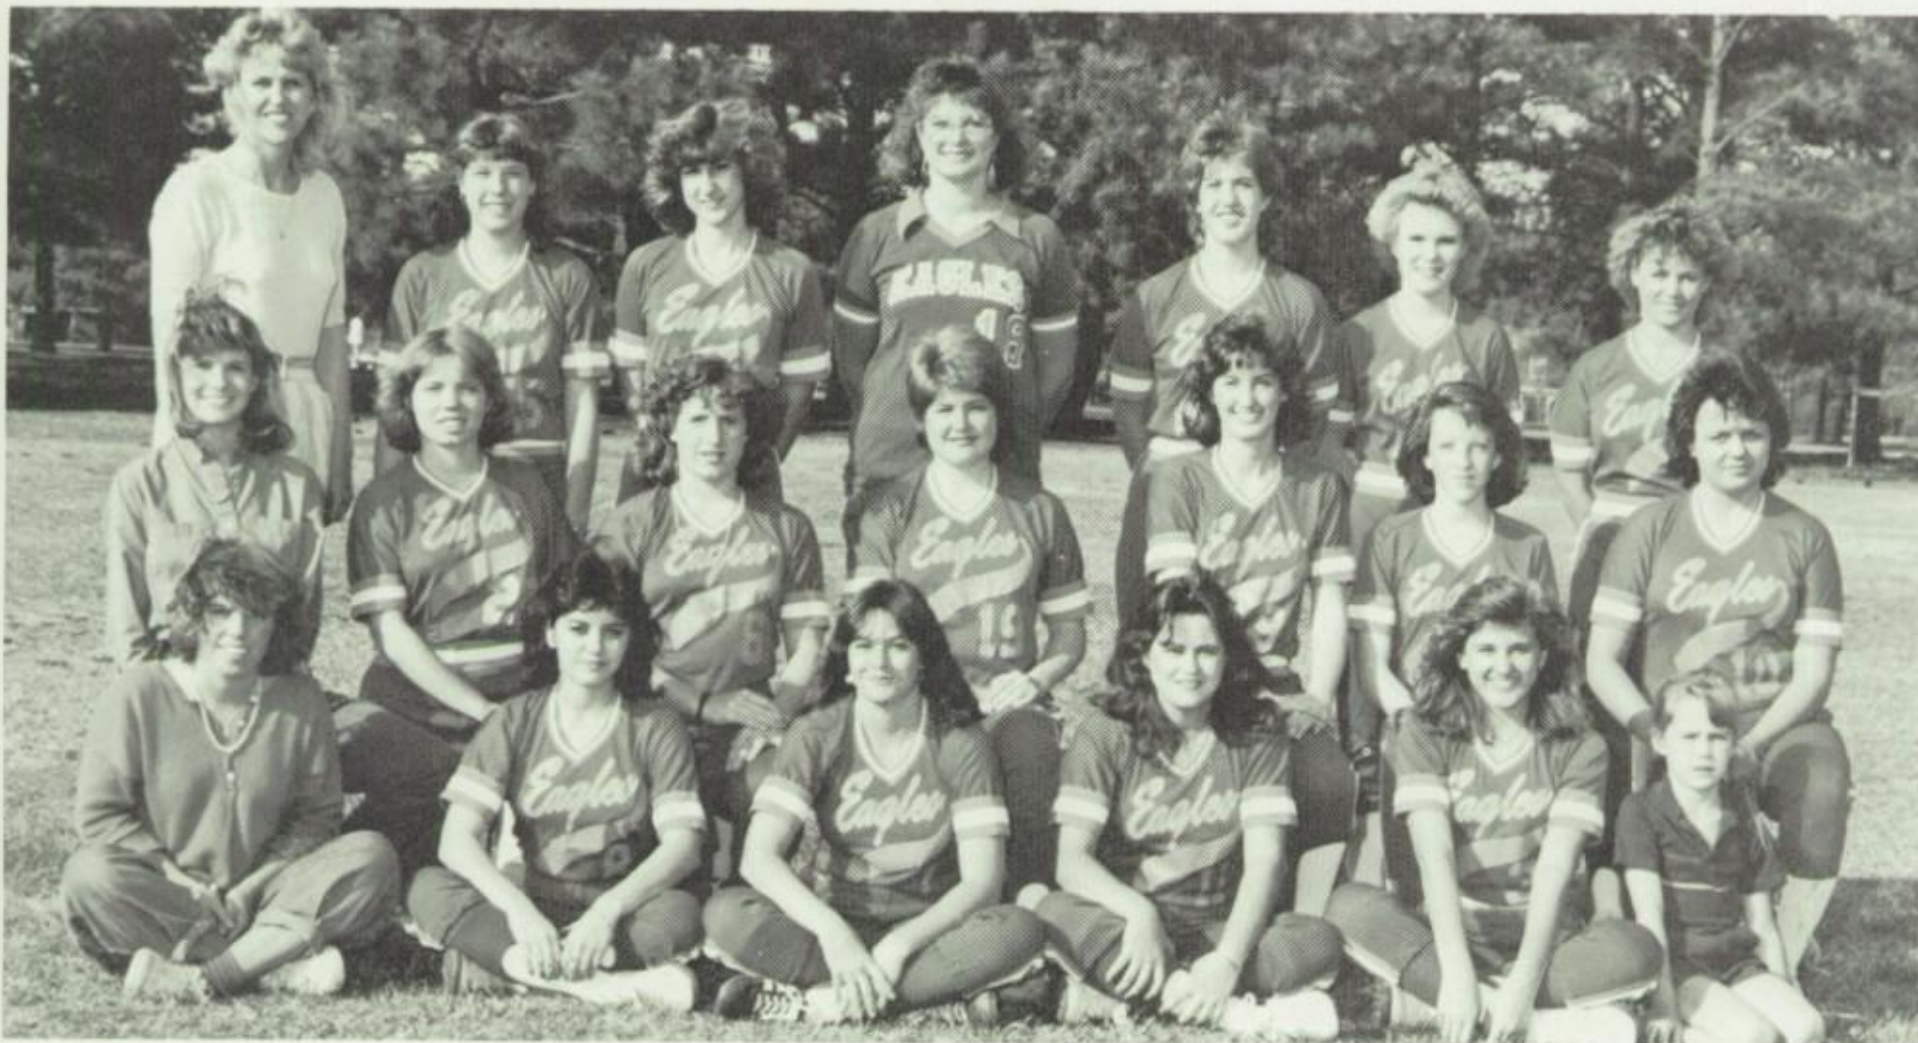

The 1985 Varsity Baseball Team had a very successful year. The young and improving team suffered a few losses that hurt their chances of reaching the state playoffs. Led by captains Chris Salyer and David Pikul, the Eagles proved to be a powerful force in the conference, falling short of the conference championship by a loss to Parrott Academy. The team sported four all conference players: Mark Ginn, Brian Neal, Chris Salyer, and David Pikul. With eight starters returning for the 1986 season, the Eagles should be a force to be reckoned with, not only in the CPIC conference but the state as well. Congratulations on a successful year and good luck for the '86 season!

**Play ball! The familiar cry of the umpire rings out and our Lady Eagles are off and running! Another spring season is ushered in with the homers, caught flies, strike outs, and slides into home plate by our dedicated Lady Eagles! Frustrations are felt when that sure victory became a surprising defeat and shouts of joy are heard filling the air as that homerun cinched the victory! Congrats, ladies, for another banner season!**

## GIRLS GET A KICK OUT OF SOCCER

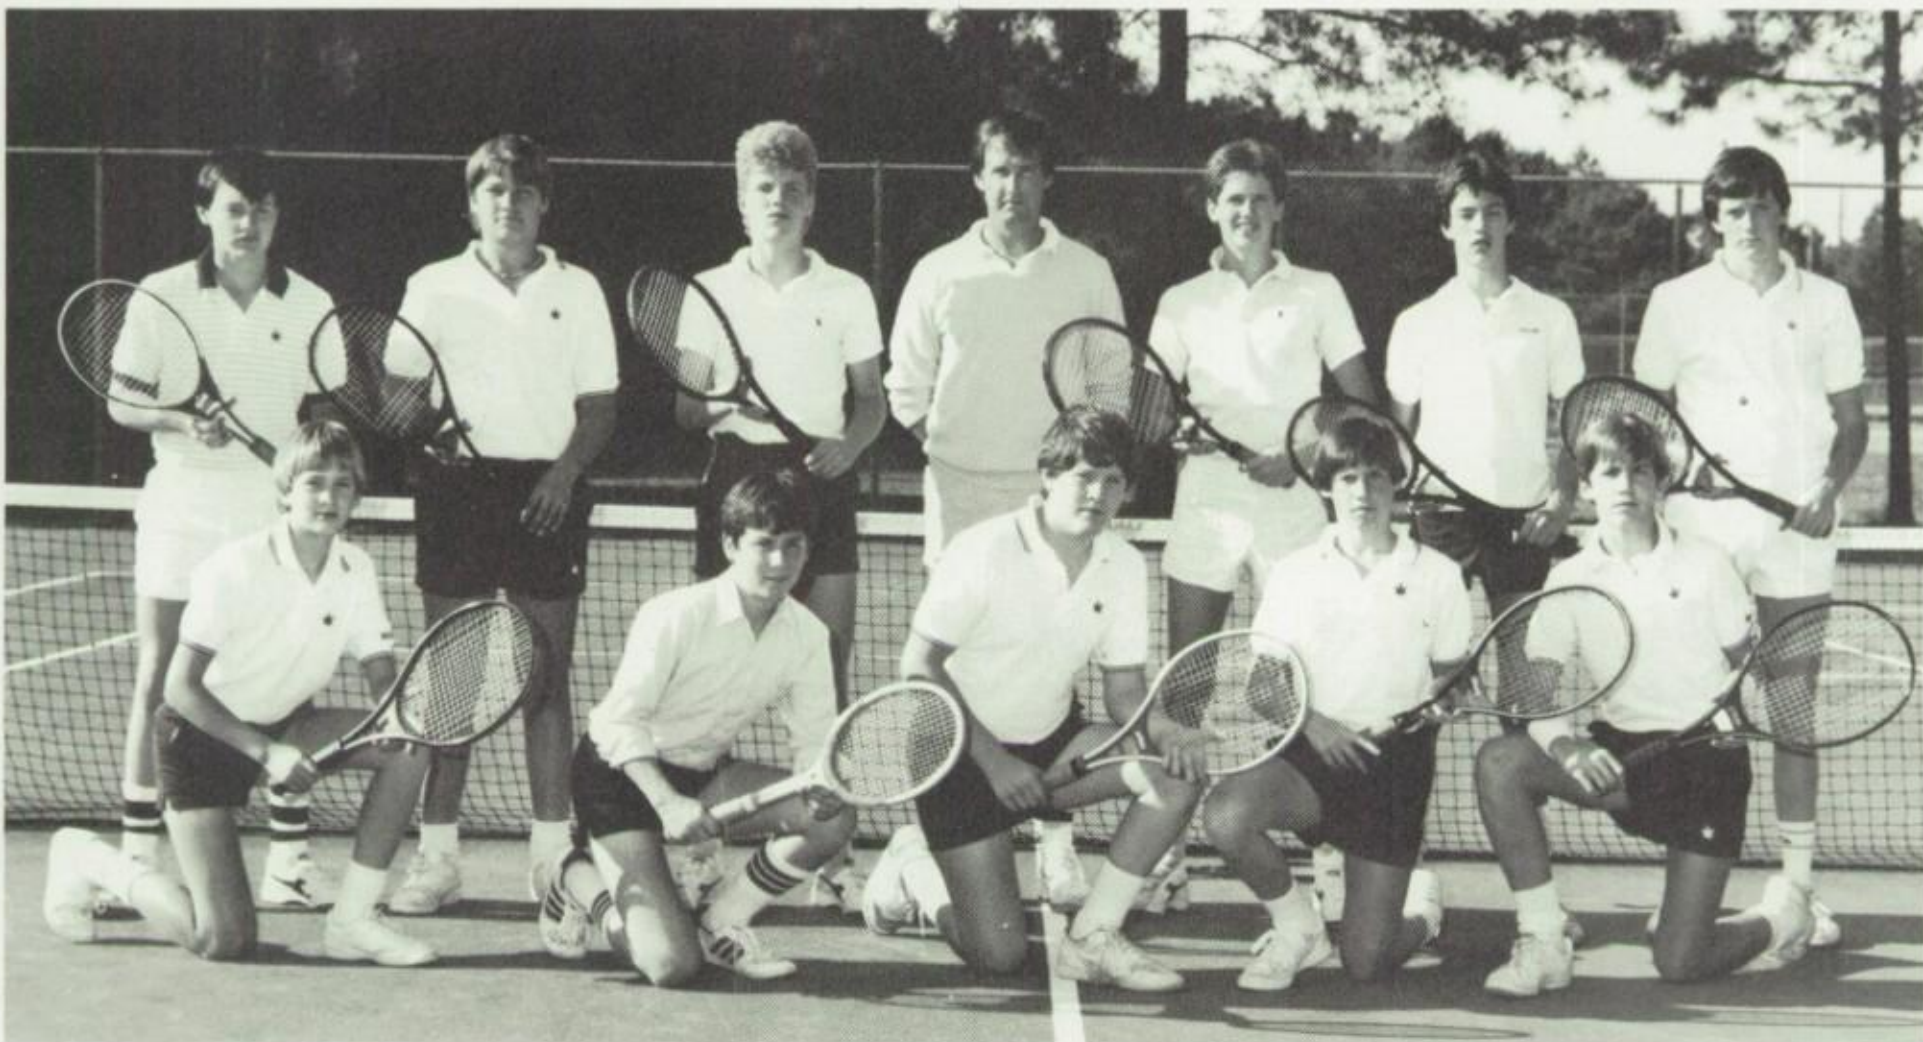

1st Row (L-R): Judi Arkangel, Patti Hardee, 2nd Row: Deborah Osterneck, Rebecca Potter, Jennifer Kelly, Lisa Lawrence, Leslie Seigle, Elizabeth Croll, Katie Cadol, 3rd Row: Pam Eissinger, Mgr., Jessi Jackson, Danielle Gilbert, Mary Allyson Wherren, Kirby Newton, Cyndee Clark, Andy Martindale, Asst. Coach, 4th Row: Kay Tinney, Carrie Sheek, Marisa Komes, Bonney Harry, Lee Ann Runy, Julia Bramble, Kristel Lovgren, Coach Ken Downs

Once again, our Lady Eagles ran through another successful season on the soccer field. They wore their bumps and bruises as badges of courage as they attempted to make this year's season one of their best! The warm, sunny spring weather only added to their excitement as they practiced their dribbling and passing skills with the anticipation of being the conference champions! The latter was not the case, unfortunately, but nevertheless, this by no way undermined their enthusiasm to do the very best that they could do. It's enthusiasm like theirs that make our teams the threat that they are! Congrats, ladies, on a super season!

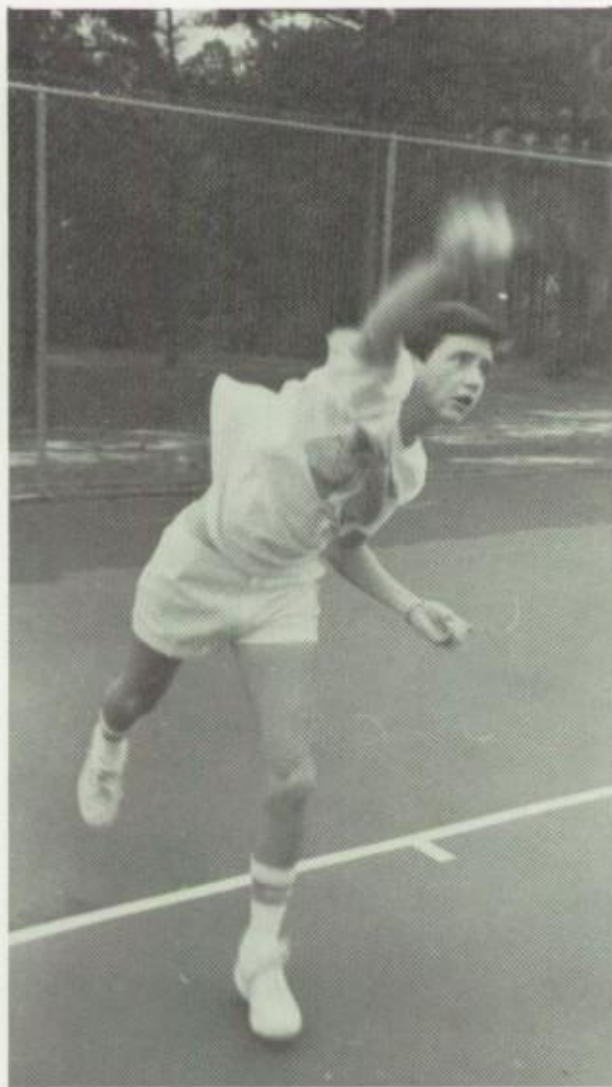

# BOYS TENNIS SERVES UP SUCCESS!

**Karl Molnar and Doug Ginn team up for dynamic duo net play.**

**John Beyer, king of the court, serves up his fireball to ace his unfortunate opponent!**

*It was an educational season for the 1985 Varsity Boys' Tennis Team. John Beyer led the young team as the number one player, and he and the team played with heart and determination. Despite many losses and extremely tough competition, each player's game improved throughout the season, and they all finished strongly in the post-season tournament.*

***Our J.V. Cheerleaders are a prime example of school spirit! These girls begin their year with a fun-filled week at a summer camp learning new cheers and routines to bring back to our school. The rest of the year is spent making sure our J.V. teams get all the support they can provide. Their smiles and glowing faces are indications they've done their job.***

## CHEERLEADERS GO FOR THE GOLD AND BLUE

*It's always an inspiration to watch our Varsity cheerleaders during the heat of a pep rally or in the intense moment of an overtime at a basketball game. Their spirited yells and chants demand that our teams get out there and give it their all! They have the uncanny ability to "fire up" our students to the point of exploding! Their long practice sessions and "poster painting" sessions serve in maintaining their energy level! Their achievement awards at the summer camps serve as a testimonial to their dedication in making sure that our school spirit is alive and well! Thanks, girls, for a fantastic job!*

## SCHOOL SPIRIT FLOODS THE HALLS AND

The walls and halls abound with the decorations and declarations proclaiming our annual Homecoming Week! The cheerleaders have made sure that our teams are well supported for the upcoming Homecoming game! The SGA also added to the "heat of the moment" by offering Pizza parties and ice cream parties to the classes that showed the most spirit in "dressing up" and showing their school spirit throughout this festive week. Highlights of the week included "Dress to Kill" day when the Seniors strutted their stuff in tuxedos and party dresses, and the sock hop in the gym where the student body enjoyed the music and styles of the '50's!

## CAMPUS THROUGHOUT HOMECOMING WEEK!

## HOMECOMING NIGHT LIGHTS THE SPARK

One of the highlights of our sports arena is our annual homecoming game and its half-time entertainment. It's particularly an exciting evening for our homecoming nominees and their escorts.

One of the special events this year was the presentation of the soccer banner to Coach Billy Thomas and the special recognition that Mr. Pratt gave to the Soccer team.

The excitement of the evening was apparent in the faces and the cheers that our enthusiastic fans displayed during the games and during the introduction of the homecoming nominees and the final crowning of the 1986 Homecoming Queen.

Much of the credit for such a successful homecoming event should go to our Varsity cheerleaders! Due to their efforts and abundant spirit, the fans really got fired up and proved to our teams that we were behind them all the way!

The backbone of the cheerleaders' spirit is Kim Lowe, their advisor. She provides that motivational force that makes our cheerleaders want to give their all for our Eagles!

## THAT IGNITES OUR SCHOOL SPIRIT

*It was a tense moment as the Master of Ceremonies completed announcing all the nominees and prepared to announce the homecoming queen and her court. All the nominees were beautiful and poised and had long awaited this moment.*

*It came to an end all too quickly as the names of the runner-ups were announced and they came forward to receive their flowers from last year's queen, Julia Hardison.*

*the queen and her court posed for the traditional photographs, their smiles proved that they were truly happy and proud of this moment. The court consisted of: Anna Newton, 4th place, Tami Beckham, 3rd place, Samantha Feters, 2nd place and Queen Lee Jackson.*

*As she stood at center court on the arm of her escort, Plato Williams, Lee Jackson glowed with the excitement of being this year's homecoming queen.*

**OUR HEADMASTER'S GOAL IS TO MAKE  
OUR  
SCHOOL THE BEST — AND HE KNOWS  
HOW!**

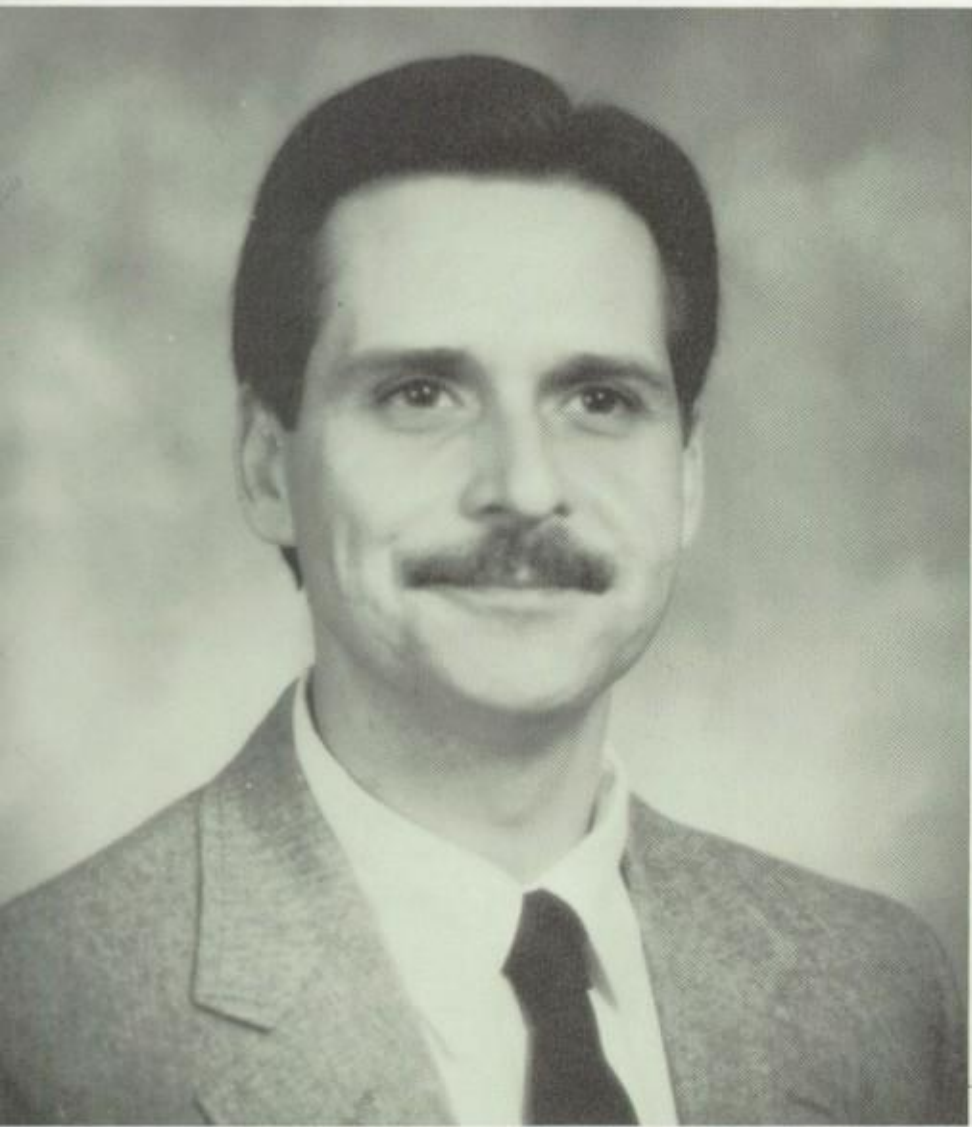

*In the early hours of the morning and the late hours of the evening, it is not uncommon to find Mr. Pratt in his office working his way through correspondence by mail, on the telephone and in one on one conferences. His purpose for all this is obvious to those of us who are in daily contact with him. He is determined to make the Academy the best school in the NCAIS. His pride in this school is displayed in many ways. He stays in touch with every aspect of our campus activities from the young students in our Kindergarten classes to our mighty Seniors. He is sensitive to their needs and does everything in his power to make their requests possible. He can be seen at athletic events cheering for the ultimate victories and consoling teammates during those rare moments of defeat. He can also be seen sitting down to a Thanksgiving feast with the third graders and thoroughly enjoying their festive fare. It's not an easy row to plow, but Mr. Pratt undertakes his tasks with a determination that makes each of us confident that he will succeed!*

**MR. TED RAY**  
**LOWER SCHOOL DIRECTOR**

## **LOWER SCHOOL LEADERSHIP IS IN GOOD HANDS — THE HELPING HANDS OF MR. RAY!**

*He sits at his desk for many long hours during the summer months making sure that all is ready for his young wards as they anxiously return to school. You can be sure all textbooks and supplementary materials are ready for use and that the business of learning will continue in its fine tradition of the past. Mr. Ray works with his faculty in a most relaxed manner in order to "get the most" out of his dedicated staff. This concerned gentleman takes every opportunity to make sure that all students in the Lower School reap the benefits that this institution can offer. He provides them with a cultural growth that is second to none. He brings musicians on campus to perform for his students and takes them to our civic auditorium to see "The Nutcracker Suite" and the N.C. Symphony. A wider selection of clubs and activities has been set up for these younger students through his efforts. It is easy to see why our younger students are so excited about their campus life. With the enthusiasm that Mr. Ray exerts, they can't help but catch the fever!*

## THEIRS IS NOT AN EASY ROAD TO PLOW!

Setting up conferences, counseling our Seniors, organizing fund raisers for our Juniors, meeting deadlines for our publications, scheduling and rescheduling our athletic activities! It's enough to make a strong man cry at times! Who do we call on to take on these responsibilities? No, not Superman or Wonder Woman, just our administrative staff! They definitely know how to get things done! These men and women take on their assigned duties with such enthusiasm that it gives us the assurance that this will truly be a rewarding year. It has been! The college acceptances, the super Junior-Senior Prom, this year's Eagle, and our athletic successes are all proof of the pudding!

## **KEY TO SUCCESS — A STRONG LINK BETWEEN ADMINISTRATIVE AND ACADEMIC DEPARTMENTS!**

*In our hectic pace of making sure we have gotten ourselves together before arriving on campus, we don't often take the time to appreciate the dedication of our secretarial and custodial staff. We take for granted that the office is the place in which we "check out/check in", our demerits are confirmed, our headaches relieved, and our lunches, uniforms, etc. are left for us to pick up. That's just the tip of the iceberg, friends! These staff members are responsible for the multitude of paper work, such as correspondence, recording of academic records, balancing of budgets and accounting records. The custodians make sure our rooms, halls, cafeteria and grounds are kept clean and safe for our welfare. With this in mind, we offer our deepest gratitude to these dedicated staff members.*

## OUR FACULTY KNOWS HOW TO GET THE MOST FROM OUR STUDENTS

*It is not uncommon to find many of our dedicated faculty in their rooms long before the 8:30 bell helping a concerned student with a problem in his work. One can find them in their classrooms during their lunch time, planning time and after school, serving as advisors for a club or helping in a wide variety of ways. They are called on to chaperone dances and field trips. Students know that they can depend on our faculty when they really need some help or guidance in any area. They are truly a rare breed!*

## OUR FACULTY SHOWS DEDICATION BEYOND THE CALL OF DUTY!

*When that extra mile is asked to be walked or a burden is needed to be shared, any member of our faculty can be called upon. Time and time again they display the school spirit that one often finds missing in other schools. They spread their enthusiasm to their students as they continue to support the multitude of activities that demands so much of their "free time". It is no wonder that the Academy maintains its fine reputation throughout our city. We have a unique faculty that wants to do the very best for our school!*

**OUR FACULTY'S FORMULA FOR SUCCESS!  
LISTENING + UNDERSTANDING + BEING  
PATIENT + GIVING = A MASTER TEACHER**

*They come early and stay late. They chaperone, they referee, they counsel, they sympathize, they give, and they forgive. Who are these rare individuals? They are our dedicated faculty! We often view them as deterrents to our freedom of self-expression as we are told to "get rid of the chewing gum," "tuck in that shirt tail", "check your paper for grammatical errors," "clean out that locker", and so forth! We need to take a deeper look into this rare breed of person to see what makes "him tick!" We would quickly see that they are dedicated to the goals of the Academy and their personal goal of making us the best student possible!*

## STUDENTS ROCK IT OUT

*Last spring, our Juniors and Seniors had a brief, but memorable, taste of New York as they danced to the super sounds of the Thin Men at the Prom. The Juniors had been hard at work all year to make sure the Seniors would be honored with a "Night to Remember"!*

*The setting for this gala affair was the Fort Bragg Officers Club. As the limousines arrived, and the flash bulbs were going off, one might have thought that a Broadway opening night was taking place. As they entered the ballroom (across the Brooklyn Bridge, of course), they entered the gaily decorated city of New York. There was the yellow and black taxis, the park benches, Times Square and the Statue of Liberty. The flowers and candles were that special touch that added a warm glow to all those attending this special event!*

*The evening was highlighted with the coronation of the Prom Queen, Julia Hardison, and the Prom King, Gilbert Ray. The Juniors and Seniors "Danced the Night Away" and then ended the evening with an informal "After Party" at Gilbert's house. As usual, the Juniors and their advisor, Mrs. Sue Holden, did a fantastic job in creating this special moment for our Seniors. The Junior-Senior Prom is always a wonderful way to bring another year to a close. It is the one night of the year that our students are brought close together in a common goal: To enjoy the moment for all it's worth, and to cherish the memories forever!*

***TO THE LULLABY OF BROADWAY!***

# DRAMA PRODUCTION OF LOVE

# IS MURDER — A HUGE SUCCESS!

*The imaginary curtain opened as the lights came up on the set of Honeymoon House wherein the audience was highly entertained by a fantastic cast of the Fine Arts Club production of "Love Is Murder." This was a delightful farce revolving around several romance novelists who become wrapped up in a mysterious murder and other questionable activities. From the moment the body falls from the closet to the revelation of the culprit, the scenes were filled with hilarious moments. The cast and crew were highly successful in bringing to life the characters and events that made this comedy a*

*truly memorable evening. Highlights of the production were the arrival of Valentine Velour, the assassination attempts and the "fantasy scenes". Congratulations to the following for a super job: Martha Johnson, Leigh Ann Seigle, Michelle Loyd, Phillip Lewis, Karen Parker, Tripp Adams, Mike Harris, Robert Kennedy, Wendi Couey, Lisa Harris, Dauri Alvarez, Mark Harris, Gilbert Ray, Kristel Lovgren, Kim LeMaster, Lysah Kemper, John McCauley, and Mr. Wayne Lewis. Their reward came in the form of a well deserved standing ovation from the audience. BRAVO!*

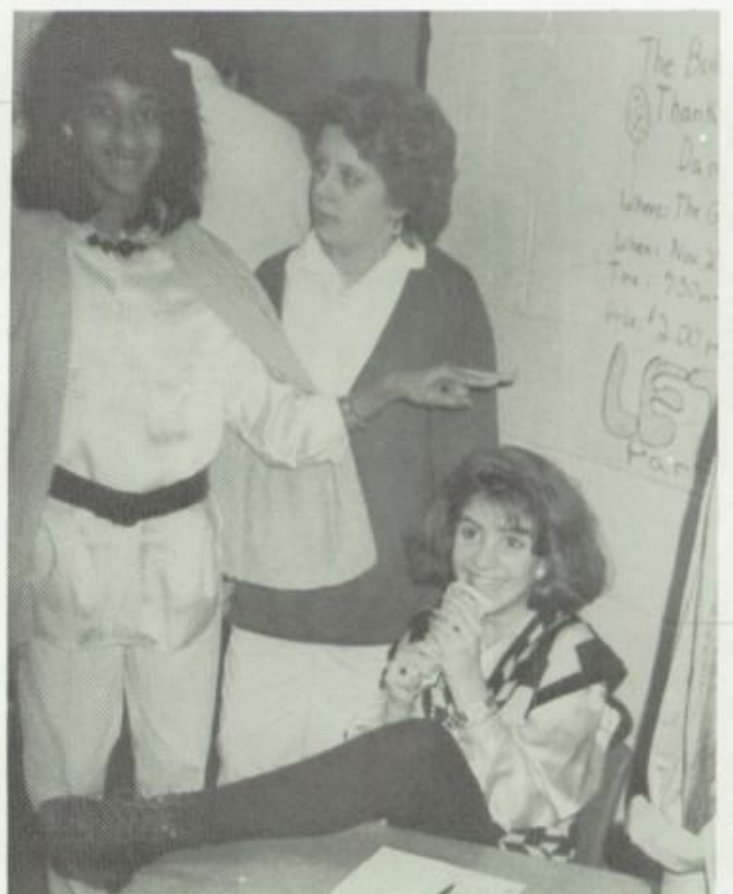

## DANCE FEVER IS HIGHLY

It doesn't take much for our students to come up with an idea for a dance. Most clubs have dances for a fund raiser, or simply for an opportunity to get "friends together" in hopes to strengthen school spirit. We have had more school dances this year than any year. The dances have also been better attended than any other year. This must prove that the student body has found a common bond that can bring the students closer together! The SGA, the AFS, the Key Club and Builders Club have all held very successful dances. The "Back to School", the "Halloween Dance", "Sadie Hawkins", "Exam Slam" and all the others gave our students a chance to get "FOOT LOOSE"!

## CONTAGIOUS AMONG STUDENT BODY

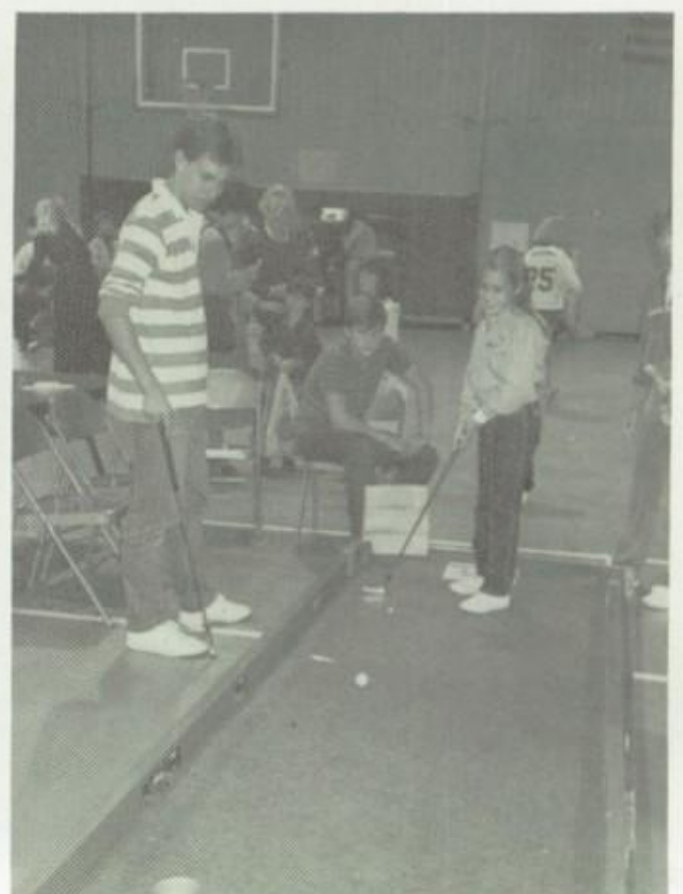

When visiting our school in October, a stranger might well ask: "What's all the excitement about?" The excitement is expressed in the faces of our Lower School students as they ready themselves for the BIG CARNIVAL, by making posters advertising their games and other activities. The same applies to our older classes in hopes to make this the biggest fund raiser ever. The SGA is responsible for pulling this all together. With the patient guidance of Sharon Wilkinson and SGA President, Leigh Ann Seigle, this year's carnival was one of the best ever! One looks back to that night, and remembers the fantastic costumes, many of which were homemade, the excited voices as prizes were won, students were sent to the Key Club/Keywanette jailhouse, and the costume winners announced! It was truly a family fun night!

## GHOSTS, GHOULS AND GOBLINS

## ENVADE CAMPUS AT HALLOWEEN CARNIVAL

## THE BUILDING BLOCKS OF LEARNING —

*For our Lower School students, it has been a year of fun, learning and growth! They have shared in the excitement of taking field trips to farms, Indian burial grounds, and the N.C. Symphony! The learning experiences in the classroom and the playground have helped in building the "true-blue" Academy student!*

*Above, several interested "pals" discuss the finer points of Soccer. The key point in the "discussion" is who kicks first!*

*The "cuties" at right seem to be absorbed in learning more about the times of "Pebbles" and "Bam Bam" and Dino, the dinosaur!*

*At far right, Mrs. Ray gives her undivided attention and love to one of her "children" who needed a "warm fuzzy"!*

*"Daddy Lambert" always knows how to hold the interest of his music classes. Here he is seen discussing the fun of singing in rounds. His "kiddies" are ready to go!*

*This little fella is determined to complete his assignment as neatly as he can!*

# DISCOVERY, CARING, LOSING AND WINNING!

At left, we see a pretty line of young girls who look like they may have aspirations of trying out for the "Rocettes" some day! Below, we see the proud smiles of our LS Student Council officers following a highly successful election campaign! Below right, Mr. Bohlen gives his special attention to one of his computer students as she learns the basic steps in computer programming. At center left, two kindergarten "lassies" admire the fashions of a Spanish Senorita! At center right, the Lower School chorus prepares for their big number!

The young man above finds the "audio center" of his room a relaxing way to spend his free time!

This little lady seems to enjoy doing her Practice Skills for her math class. She knows "Practice makes Perfect"!

The two "Eagle Fans" above don't let the rain get in their way of having a "fun time" at a soccer match!

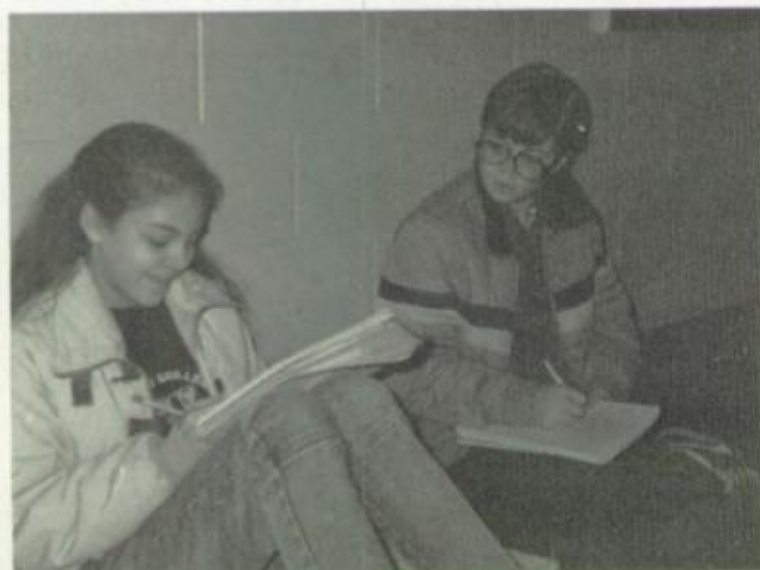

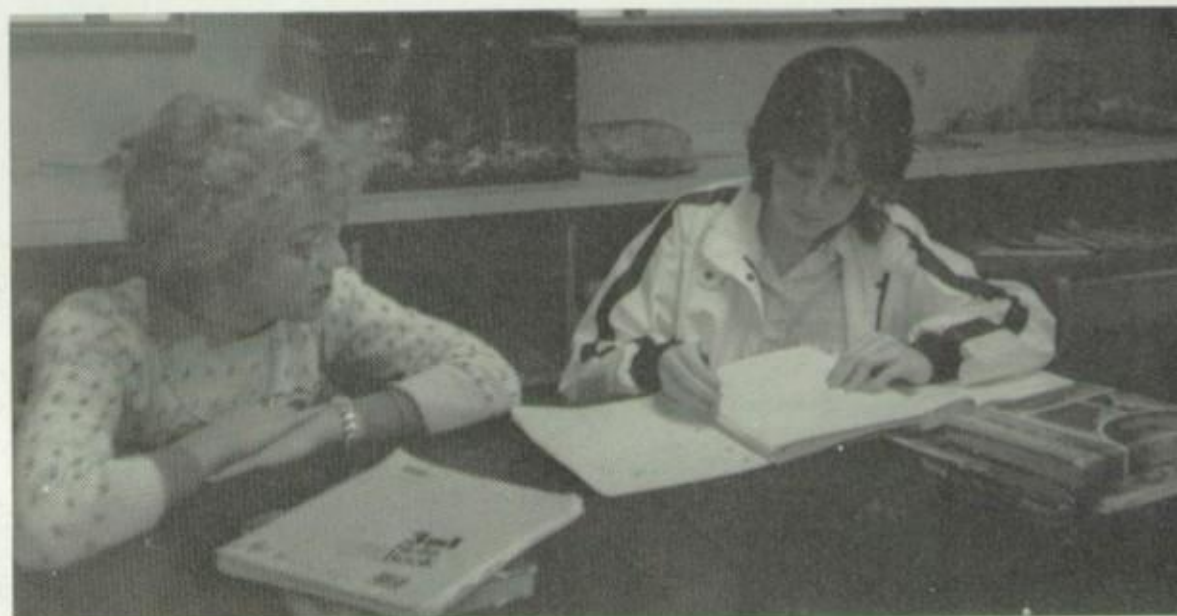

## THE MIDDLE SCHOOL EXPERIENCE INVOLVES

*At times, many of our Middle Schoolers thought they might never make it through this year because of the demands placed upon them in their class work, athletic schedules, and, of course, their social calendar! Like the true Academy student, however, they persevered and weathered the storm! At right and below, we see several ladies working on a drama skit and two working on a Latin assignment.*

*At right, Bethany and Joellyn check their science notes.*

*Below, Amy and Keith discuss a tough math problem!*

*Gary works on his math problem until he knows it's correct!*

*Martha shows Kirsten how to center her title for her typing assignment.*

*Orrin, Kenny and Aaron investigate the parts of the telescope that they will use in their astrology study.*

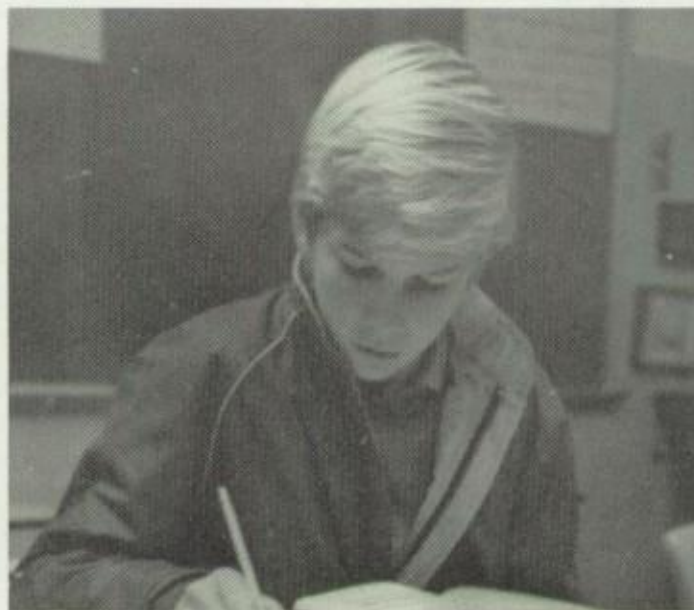

## A PERIOD OF TRANSITION AND GROWTH

At left, Leigh, Leslie, Laura and Joellyn share a funny moment. Below, Mark, Charles and Steve get ready for a science quiz.

Far left, Melanie Temesia, and Leah review their reading assignment for Mrs. Lowe's class.

At left, Billy makes sure his geography notes are complete so he can ace Mr. Till's next test!

Below, Mary shares an interesting story with Shannon while Cullen and Amy eaves drop.

Mrs. Harry relates the story of Blackbeard and his pirates along the North Carolina coast while W.P., Aaron, and Lee listen intently to her every word! They know they'll have to write about it on their next unit test!

Mrs. Lowe helps Chris with his sentence structure for his creative writing assignment.

Ashley and Ryan take the time to make sure they know that mathematical formula for Mrs. Baum's big test!

## IT WAS BOUND TO HAPPEN!

As the saying goes, "All good things must come to an end"! and so has it been with this school year! The times we spent "slaving away" in the classroom, rehearsing for the "BIG PLAY", "partying" on week-ends and "being ourselves" were times well spent!

David Jessup is caught by surprise as he compiles his notes for his science class. He won't be caught off guard for the next test!

Rick Reneau and Davil Waller examine rock samples for signs of fossil prints for their Biology class.

Sophomore Class President, John Beyer takes the time to welcome Jane Kennedy, a new transfer student, to our Academy family! Lisa Harris and Karl Molnar are equally happy to have Jane with us!

Juniors Chin Lee and Gregg Ginn seem excited about having a new Junior among their ranks. Mark Hester came to us from East Bladen High School. He'll be a great asset to our student body!

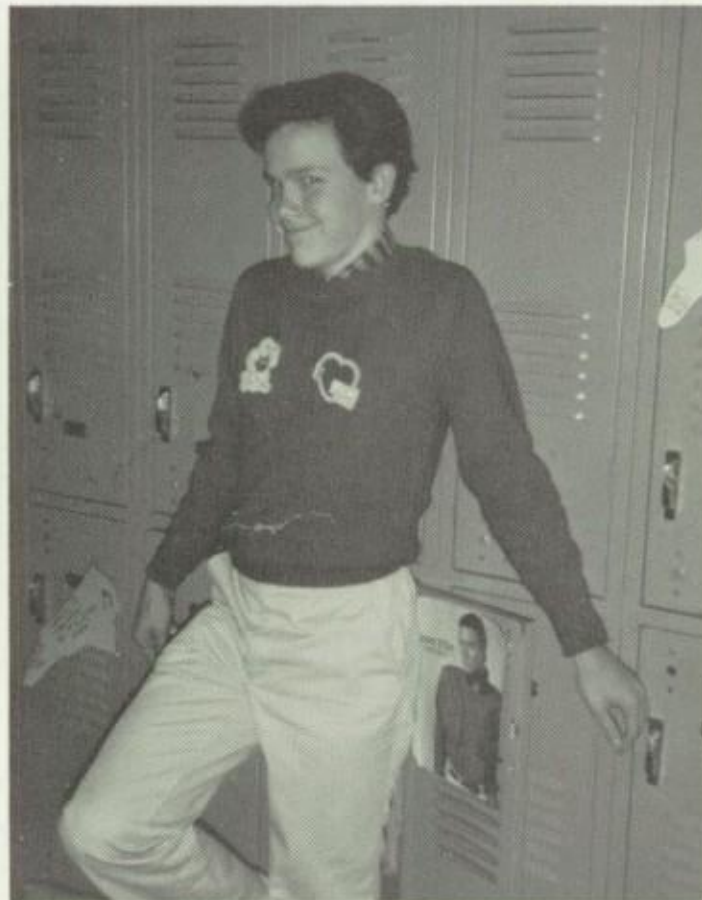

## THE YEAR ENDED ALL TOO QUICKLY

*This year the students seemed to be drawn closer together in their common goal of making "THEIR CLASS" the best class ever! The fund and "fun" raisers they became involved in was "Proof of the Pudding"! At left, Juniors and Seniors "PIG OUT" at the annual cook out!*

*Above, Lysah Kemper and Starr Smith support the AFS Club by taking up money for the "Costume Dance" that was held in October. This dance turned out to be a super hit!*

*At far left, Cindy Danker and Manu Verma show us their "stylish" side as they pose in their plaid outfits! These two friends always made our campus more attractive!*

*At left, Danny Creech gives us one of his "impish smiles" as he takes a break from his hectic pace in the halls between classes!*

*Kendi Couey, Danielle Gilbert and Marsha Thomas serve as a prime example of "good friends" looking forward to Saturday night!*

*David Ham, Tim Diffly and Andy Knight take time to enjoy another funny story from Billy Smith!*

*Mary Frances Neal and Jessi Jackson find a comfortable spot to rest from the frenzied activities of the AFS Costume Dance!*

Charisse,

What's new? Do you like it where  
you live? I know we weren't the best of  
friends but I would like to say that I really  
do miss you & wish the best for you in  
the future. Come & visit Fay, Acad. some  
time. Everybody has changed. You are always  
welcome to come & visit me sometime.

Have a wonderful summer,

Your friend (Hopefully),

Hope to

See you sometime soon!

Charisse,

We got a new boy. Remember Neil  
Cain in 4<sup>th</sup> grade. Check your 4<sup>th</sup> grade annual.  
He has warts, no friends, buys his clothes at
